

NORTHVILLE ROWING

US Rowing Membership and Waiver Instructions

Step 1: Register for a New Membership or Renew a Previous Membership

USRowing Membership is a requirement for participation in the Northville Rowing. The US Rowing membership is valid for ONE calendar year from the time you join/renew. The membership is technically free. However, a small administration fee is charged at the end of registering.

Details on registering are as follows:

1. Go to <http://www.usrowing.org/> and click on "Join & Renew" in the right top corner.
2. Scroll down and select "Join & Renew" under the **Individual- Basic Membership**.
3. Following the instructions for registering.
4. When asked for the Club/Team Name - Type **Northville Rowing Club**

Step 1: Sign a Waiver

Once you have completed registering and become a US Rowing member, you will be asked to sign a USRowing waiver. Waivers must be signed to participate in USRowing-hosted and sanctioned events.

Just follow these easy steps to sign your waiver – (<http://www.usrowing.org/sign-a-waiver/>)

1. Visit the [Membership Portal](#). You'll see two large icons – "Individuals" and "Organizations." You want to select "Individuals."
2. Mouse over the "Members" button and click on "Sign Waiver" in the dropdown menu.
3. Enter your Member Number and the password for your account. If you forget either, click on "[Forgot My Member Number](#)" or the "[Set/Reset Password](#)" link and follow the directions.
4. Answer the four (4) Member Education questions, if asked. Don't worry if you get any wrong. This does not impact whether you successfully sign the waiver or not and is not attached to your member account. It helps USRowing focus on education programs that are needed by the membership.
5. Click the check box to confirm you understand and agree to the terms of the waiver. Click the "Submit" button.
6. Next, you may be asked whether you will be participating in National Team Selection process. If not, select "No." If you do plan on trying out for the National Team, select "Yes," and watch the 14 minute Anti-Doping Compliance video. Once viewed, click on the three (3) checkboxes and click on the "Submit" button.
7. Complete the process! If you are renewing your membership or joining for the first time, you'll advance to the payment screen. If your membership is active, you'll advance to your Membership summary with a confirmation that your waiver has been signed. In either case, you'll receive an email verification.
