Tony – President

- Things are running smoothly so far... thank you.
- No coaches requests have been received recently... we will reassess once fall sports wrap up.
- All sponsor money is accounted for... only a couple of SWARM sponsors we still need to get paid by.

Kellie – Treasurer

- All bills are paid up to date
- Reviewed all accounts and they look good, with the exception of Allied Sports which is negative at the moment.

Ed – Membership

- General discussion of overall membership decline... no explanation but seems to be not isolated to just us. could be shift in times that people just don't want to be members of each organization. This is something that should be considered in the future.
- We need to promote that the scholarship is linked to membership!
- Need to get updated count of members by next meeting... currently at 150 members.

Ashly – Communications

Mary Ellen - Concession –

- Need to order new coffee pots... Mary Ellen will send link to Tony and he will order.
- Need to have concession volunteers arrive no later than 5:30 for football games.

Robyn - Merchandise –

- Profit so far is \$3,400! So a very good fall selling season.
- Ordering new items to be ready this week.
- We discussed the issues with staff buying too many SWARM shirts and discussed capping them at 2 per person going forward.
- Erica will promote that we are selling merchandise at the powder puff games.
- SWARM shirts have been very successful again.

Cliff – AD

- Good start to the year... only a few complaints have had to deal with
- Fall playoffs start next week.
- Winter sports registration portal is now open

- The countywide investigation report was released this week. Anti-climactic. The report did confirm that there was no hazing present at DHS.
- Still have not hired a girls lacrosse coach... will be working on filling that role now that the fall seasons are wrapping up
- No new requests have been received from coaches

Ashly – Powder Puff Game

- All set to go! No additional volunteers are needed at this point.
- Games start at 6:00, be there ready to work by 5:00
- Mark Schnuur and Troy Wentzlaff have agree to announce, Dave Hamerick will run scoreboard
- Have no freshman team at this point. Mary Ellen will work to get team together tomorrow.
- Discussed issue with announcements... students say that our announcement was never verbalized; only the senior announcement was made in the mornings so the freshman don't know what's going on.
- We will ask boy's basketball coach if they want to work concessions for \$200 towards their account again.

New Business

- Need to begin promoting scholarship!
- Decided to hold off on ordering the fence screens for the bleachers to be sure we have enough money
