

In lieu of the ongoing concerns surrounding the COVID-19 outbreak and with consideration of the guidance of the State of California and LBUSD closing schools beginning Monday, March 16, LBYSO will immediately suspend all league-sanctioned functions through April 13.

At that time we will evaluate conditions and determine if it is reasonable to resume the season. Under that scenario, the spring season would likely be extended into early June.

We hope you and your families remain healthy and are not severely impacted by these events. We hope to see you all back on the fields soon.

Regards

Robert Bruce  
LBYSO President
