

White Bear Youth Football 1st Annual Raffle - 2021

White Bear Youth Football takes pride in running a program that is highly accessible and fun. We enjoy creating an opportunity for players to participate in a great team sport where players not only learn the game of Football, but also learn about hard work, commitment, teamwork and grit!

For years, we've avoided any extra fund raising for our program and instead have relied almost exclusively on Sponsors and Team Fees to run our program. As we embark into the next ten years, we recognize the need to invest further in our players via new equipment, coaching training, player development, improving our fields and continuing to make Youth Football one of the most affordable sports to participate in. With this in mind, we're embarking on an optional fund raising effort for the first time. This is not something we plan to mandate or pressure people to do, but participation is greatly appreciated! Here are the details of our first ever WBYF Raffle.

How it Works: If families choose to participate, the attached order form can be used to pre-sell tickets to family, friends, neighbors, etc. Simply indicate your buyer and how many tickets they want, collect the ticket money (cash or check to WBYF) and turn in the order form to WBYF at one of the designated dates/times to receive your raffle tickets.

Alternatively, you can pre-pay/buy tickets from WBYF and re-sell them on your own.

Participation: Participation is optional, but we'd love to see each family sell **10** raffle tickets. There are great prizes for those who decide to participate, including:

- Drawing for a Vikings mini-helmet signed by Harrison Smith - all players who sell 10 or more tickets are entered into the drawing
