Happy New Year!

As we approach the end of 2018, I wanted to take a moment on behalf of our board of directors to thank our member families for choosing SYC as your children's youth sports provider. We hope that through the hard work of our staff and dedicated group of volunteers, we can continue to earn your trust by providing youth sports programs that are fun, affordable, and provide quality instruction.

I have been affiliated with SYC in one capacity or another for over 20 years. Both of my children, each of whom was a Division I college athlete, came up through SYC playing multiple sports. Each year I have been involved with the club, I am struck by the passion, loyalty, dedication, and proficiency of our many volunteers. These volunteers, whether they be sports commissioners, coaches, assistant coaches, or serve in some other capacity, are a huge part of why we have grown and flourished for over fifty years. We cannot begin to thank them enough, so if you get the chance, please take a minute and thank the volunteers who make our club what it is today.

All of us at SYC look forward to serving our member families throughout the coming new year.
