What's Going on Around the Rink?

Hudson Sports and Civic Center Covid-19 Rules/Guidelines:

- All Hudson Sports and Civic Center players, spectators, coaches, referees and minor officials must stay home if you are sick or are exhibiting symptoms of COVID-19 such as fever, sore throat, cough or shortness of breath.
- Masks are required while in the building.
- Maintain social distancing at all times, except when on the ice.
- Only enter the building 15 minutes before your ice time.
- Come to the rink dressed as complete as possible.
- Use assigned locker rooms only and maintain proper physical distancing of 6 feet.
- 10 people per locker room – extra chairs outside.
- For games, 2 spectators per player are allowed to attend the game. They must wear a mask in the facility and stay socially distanced inside the building. They cannot enter the building until game time and must exit immediately following the game.
- Skaters must bring their own water bottles clearly marked with their name.
- While hand sanitizing stations will be available at the facility, skaters, coaches and spectators are also encouraged to bring hand sanitizer and disinfectant wipes to use while at the arena.
- Restrooms, dressing areas and high touch areas will be sanitized regularly.
- Skaters and visitors must all use hand sanitizer upon entering the building.

All parents will receive notification of a confirmed COVID-19 case on your child's team. Due to data privacy, specific individuals will not be identified but the team of the confirmed case will be identified. It is very important to note that the St. Croix County Public Health Department determines which individuals were in close contact and should be quarantined. Public Health will contact the families of these individuals, not the Hudson Hockey Association. If your family is not contacted by Public Health, your child is not considered a close contact and/or in need of being quarantined.
