

## Statement to Membership on COVID-19 V2.0

# MESSAGE FROM THE WEST ROUGE SOCCER CLUB BOARD OF DIRECTORS

Date: March 14, 2020

The West Rouge Soccer Club is closely monitoring the Coronavirus (COVID-19) situation on a daily basis.

Ontario Soccer has mandated that all sanctioned soccer activities be suspended indefinitely in the province of Ontario due to the COVID-19 pandemic.

West Rouge Soccer Club is complying with Ontario Soccer and is suspending immediately, all Indoor programs and planned participation in Indoor festivals and leagues.

The health and safety of our players and members is of the utmost importance as we manage through this situation. Please monitor our website and social media for updates.

The Board is continuing with planning for another successful outdoor season for our Recreational (House League), Development and Competitive programs, as well as our popular Summer Camps. Most outdoor team-based programs are currently scheduled to start in mid-May, with a few programs scheduled for late-April or early-June start dates. Summer Camps start in July.
