PRO POINTS IS DESIGNED TO REGULARLY REWARD OUR VALUED PRO SHOP CUSTOMERS while also preventing abuse of discounts which leads to price increases.

The program will allow Coyotes Ice Sports team members to identify purchasing trends, and make custom recommendations to our figure skaters and hockey players.

Additionally the program will expedite the return process and facilitate providing warranty claim information required by manufacturers.

Starting August 1, 2024, program participant discounts will be discontinued as summer programming ends. Effective September 1st, all previously honored program discounts will be invalid.

**Rewards and discounts apply to regular-priced apparel and equipment only. Excludes pro-stock and services. Rewards not earned on services. Cannot stack or combine with any other coupons or discounts. Rewards & discounts not valid on previous purchases.*
