

## CAMBRIA COUNTY STUDENT HOCKEY LEAGUE PARENTAL CODE OF CONDUCT

Parental support of our athletic team is vital, and greatly appreciated. In order to provide a positive climate for coaches and players to do their best, eliminate distractions that might negatively impact the program, model good sportsmanship, and comply with USA Hockey and PAHL Rules, we are asking for your support of the following Parental Code of Conduct.

We strongly encourage your active, positive support of your child, and look forward to your attendance at the games and other sponsored activities. The concept of sportsmanship however, must be taught, modeled and reinforced by adults. The parents/guardians of athletes must maintain self-control and demonstrate proper perspective as it relates to winning and losing. It is important to remember that an athletic contest is only a game - not a matter of life and death. Accordingly, we are asking all parents/guardians, and spectators who attend games to abide by the following:

- Please show respect for others by refraining from booing or yelling derogatory comments or remarks from the stands towards our opponents, coaches or officials. Personal insults or abusive, foul language will not be tolerated. Violations may result in penalties against a Johnstown Warriors team, and ejection of the offender.
- Parents shall not confront or seek to conference with coaches or officials during or immediately after games, except in cases of injuries or emergency medical treatment for their child.
- Conferences with the Coach to discuss or critique their game preparation, coaching strategy, or the status of other player will not be held. Concerns in this area may be expressed to the Team Manager. Any conference to discuss your child's status must be scheduled with the Coach and Manager.
- All parents will be asked to adhere to a twenty-four hour rule. If you have a question, comment, concern or complaint for a coach or business manager, you must wait twenty-four hours before approaching the individual. This includes phone, text, social media and email.
- Other forms of behavior that are disruptive to the game, or others enjoyment of the game will not be allowed. This includes, but is not limited to, approaching the bench area while the game is in progress, or attempting to coach your child or direct other players during games or practices.
- Be supportive of your child's efforts and the efforts of his teammates - be encouraging rather than negative regardless of the outcome of a game.
