Regarding the age and grade level classifications, the highlighted boxes for June, July, and August indicate that an athlete born in those months may choose to play at either level based on their grade. For example, a 6th grader born in July may choose to "play up" in 14U or remain with their classmates in their designated grade level.

Please note the following restrictions:

- An athlete may only play up one age group (e.g., a 4th grader may play in 12U, but a 3rd grader may not).
- Playing down a grade level is strictly prohibited.

For additional information, please refer to page 6 of the IYLA Bylaws.
