- No other winter activities (fairs, training, etc).
- Hudl contract through the school is continuing, plan is to have cameras installed in the stadium by the fall
- Looking to have HS prep camps last week of July, as usual
- August 16th is start of season (for tryouts)
- May look to move Alumni game further up in the summer

Eric Adamson updates:

- Planning on organization for April player/parent meeting as we get closer.
- Booster Position updates:
 - Erin Porter – Photos

 - Stacy Stanek – Teacher Appreciation, Senior Night
 - Open: Treasurer, Ballboy, Soccer Night, Banquet
- We will make another appeal for Treasurer to parents, could we look into a 501(3)c donation of time from an accountant? Coach suggested we contact school to follow-up on that question. Best path would still be to get a parent volunteer.

Other items:

- Zach: Not pursuing any winter training. Looking at kickarounds once we get into late spring/summer.
- Send a reminder about Shop with Scrip participation during the off-season
