The RYHA Bantam Tournament will be played in memory of Bobby Page, who lost his life to cancer at the young age of 25 years old on December 24, 2005. Bobby played for the Rome Youth Hockey Association, and he loved working with the Bantam Age Group.

The family and friends of Bobby Page felt it very important to carry on the true spirit of Bobby. Bobby always had special place in his heart for children. The Bobby Page Memorial Foundation was founded in 2006 to improve the quality of life to the less fortunate children in our community. The foundation ensures all children have the opportunity to play.

Please join us for an exciting weekend of hockey as RYHA honors the life and memory of Bobby Page.

Rick Lefevre Memorial Squirt Tournament **Tier II House and Travel Divisions** **January 18th – 20th, 2019**

3 Game Minimum Guaranteed **\$675 Entry Fee**

The Rick Lefevre Memorial Squirt House Division of the RYHA House Tourney is to celebrate the memory of Ivan A. (Rick) Lefevre, who passed away unexpectedly on May 7, 2000, at the young age of 44. Rick was a fixture at the J.F. Kennedy Civic Arena, making sure it was in the best possible condition for the hockey players, figure skaters, and spectators who came to visit. Under Rick's guidance, the arena was a family operation, and those who came to play, skate or watch became part of his extended family. It was common to see Rick stop what he was doing to help a youngster tie up his or her skates, or to check on someone who had fallen. For Rick the business of running an area was always second to the business of helping people.

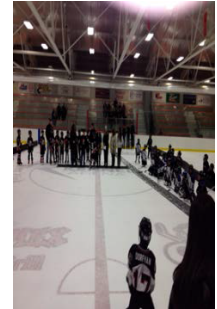

The family has established the Rick Lefevre Memorial Scholarship Fund as a tribute to him and as a means of preserving his legacy of helping others. Each year, one graduating former Rome Youth Hockey Association player and Rome Figure Skating skater is awarded \$250.

22nd Annual Roy Austin III Memorial Mite Festival February 1st – 3rd, 2019

This festival is named in honor of Roy Austin III, nicknamed, "Peanut" to all who knew him. Roy was a hard working individual with a huge heart, devoted friends, and a loving family. He worked part-time for the City of Rome, assigned to the Parks Department and his job included upkeep of Kennedy Arena. He was well known for keeping our bleachers, locker rooms, and warm up room spotless and loved cheering on the players and coaches of the Rome Youth Hockey Association, particularly those playing at the Mite level. Roy's time with us was short, as he unexpectedly passed away at the young age of 36 years old.

His heart stopped beating, but his memory and spirit is kept alive through the Roy H. Austin III Memorial Fund, which was established in 1997 by the Austin Family and Committee. The Rome Youth Hockey Association is grateful and honored that the Austin family continues to play a valuable role in the youth of the community. The Austin family was instrumental in the "Think Rink Renovation Project", donating \$20,000 exclusively for the naming rights of the beautiful warming room that Roy so genuinely cared for and maintained.

The Austin Family and members of the Roy Austin Memorial Fund raise money to purchase sports equipment for underprivileged children in the local area. They also assist families with catastrophic illnesses; also, due to unfortunate circumstances, have extended donations to scholarship funds for children who have lost a parent unexpectedly and/or in the line of duty. In addition, a scholarship of \$500 is given to an RFA graduate each year, and a \$200 savings bond is given out at this tournament to a deserving RYHA Mite.

Last year we hosted 18 teams participating in this spectacular event. If your Association sends teams from multiple divisions, \$25 will be deducted from each team's entry fee. The festival is a family oriented event with no official score keeping. All participants will receive a "goodie bag".
