Kindly note that Club Fees DO NOT INCLUDE the paying of fines due to forfeits. Club fees have been reduced to reflect that. If fines are incurred, those players who caused the team to have the fine will be responsible for paying their share of the fine. For example, if 5 players caused the team to forfeit, those 5 players would split the amount of the fine $\$150 / 5 = \30 each. Player would not be eligible to play again until his/her portion of the fine has been paid.
