

Frequently Asked Questions – Application for Educational Benefits

(formerly the Free/Reduced Meals Application)

Why should I complete the application if MEALS WILL BE FREE again this year for all students? Your children may still qualify for other benefits such as discounts on athletic and activity fees, some technology fees, and Community Education and Preschool scholarships. Your application also helps the district qualify for additional funds to support students and programs.

Who should complete the application? Children can qualify if their household income is within the maximum income shown for their household size on the instructions. Also, children in households participating in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP) or Food Distribution Program on Indian Reservations (FDPIR), and foster, homeless, migrant, and runaway children can qualify without reporting household income.

I received a letter that my children have already been approved for educational benefits. Do I still need to complete an application? No, but please read the letter you received carefully and follow the instructions. If any children in your household were missing from your eligibility notification, contact the Nutrition Services Office immediately by calling 952-758-1774.

When should I apply? As soon as possible! By submitting your application prior to the first day of school, you can be assured that, if approved, your children will fully receive any benefits available. Many school fees are charged early in the school year, which may be reduced or waived if you qualify. Your application also helps the district qualify for additional funds to support students and programs.

Can I apply online? Yes! You are encouraged to complete an online application instead of a paper application if you are able. The online application has the same requirements and will ask you for the same information as the paper application. Visit <https://www.npaschools.org/district-site/lunch-benefits> to begin or to learn more about the online application process. Contact the Nutrition Services Office at 952-758-1774 if you have any questions about the online application.

Do I need to apply this year if I was approved for meal benefits last year? Yes! An application needs to be filled out and submitted every year to receive benefits.

I get WIC or Medical Assistance. Can my children qualify? Children in households participating in WIC or Medical Assistance do not automatically qualify. Children may be eligible depending on other household financial information. Please fill out an application.

Who should I include as household members? Include yourself and ALL other people living in the household, related or not (such as grandparents, other relatives, or friends), and regardless of their age or if they attend New Prague Area Schools.

May I apply if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens for your children to qualify for free or reduced-price school meals.

What if my income is not always the same? List the amount that you normally receive. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

Will the information I give be checked? It may be, and we may also ask you to send written proof of the household income you report.

How will the information be kept? Information you provide on the form, and your child's approval for school meal benefits, will be protected as private data. For more information, see the back page of the Application for Educational Benefits.

If I don't qualify now, may I apply later? Yes, you may apply at any time if your income goes down, your household size goes up, or you start getting SNAP, MFIP, or FDPIR benefits.

Can a student who qualifies for benefits receive free milk if they choose to bring a home lunch? No. The USDA waiver for free meals for 2021-22 only applies to a complete breakfast and lunch. Purchasing milk only costs \$0.50. A student MUST have money in their account to buy milk only.

Do I need to complete the racial and ethnicity information on the back of the application? This information is not required for approval, but it does help to make sure we are fully serving our community.

I still have questions. Who can I contact? Please call the Nutrition Services Office at 952-758-1774 or email NPASNutritionServices@isd721.org.

Step 1: Children

List all infants and children in the household, their school and grade if applicable, and birthdate. Attach an additional page if needed to list all children. Check the box if a child is in foster care (a welfare agency or court has legal responsibility for the child).

Step 2: Case Number

If any household member currently participates in SNAP, MFIP or FDPIR, write in the case number and then go to Step 4. If you do not participate in any of these programs, leave Step 2 blank and continue on to Step 3.

Step 3: Adult and Child Incomes / Last 4 Digits of Social Security Number

- **Social Security Number/Total Household Members.** An adult household member must provide the last four digits of their Social Security number or check the box if they do not have a Social Security number. Report the total number of household members and ensure all household members are listed individually on the application in the child or adult section as applicable.
- **Child Income.** If any children in the household have regular income, such as SSI or part-time jobs, list the total amount of regular incomes received by all children, and check the box for the frequency: weekly, bi-weekly, twice a month, or monthly. Do not include occasional earnings like babysitting or lawn mowing.
- **Adult income.** Report the names of adult household members and income earned in this section.
 - List all adults living in the household not listed in Step 1, whether related or not, such as grandparents, relatives, or friends.
 - **Gross Earnings from Work.** This is usually the money received from working at jobs where a paycheck is received. For each income, check the box to show how often the income is received: weekly, bi-weekly, twice per month, or monthly.
 - List gross incomes before deductions, not take-home pay. Do not list an hourly wage rate. For adults with no income to report, enter a '0' or leave the section blank. For seasonal work, write in the total annual income.
 - **Are you Self-Employed or a Farmer?** List the net income per month or year after business expenses. Do not list the same income twice on the application. A loss from farm or self-employment must be listed as 0 income and does not reduce other income.
 - **Any Other Gross Income.** List gross incomes before deductions from all other sources, such as SSI, unemployment, child support, public assistance, social security, rental income or annuities.

Step 4: Signature and Contact Information An adult household member must sign the form. If you do not want your information to be shared with Minnesota Health Care Programs, check the "Don't share" box in Step 4.

Optional: Please provide the information on ethnicity and race that is requested on the second page of the form. This information is not required and does not affect approval. The information helps to ensure we are meeting civil rights requirements and fully serving our community.
