Notes: As always, players are encouraged to let clubs know of their intentions as soon as the decision has been made – a player does NOT need to wait until the deadline to accept or decline an offer. Individual clubs may choose to extend offer deadlines, at their discretion, or athletes may ask for this extension. Any extensions granted (or not) are the sole responsibility of Badger Region member clubs.

A club program that has given an offer of membership to a player may make one club-initiated follow-up contact with that player between the time of the offer and the subsequent commitment date. A club-initiated contact shall be defined as a phone call, email, text, Tweet, or direct social media message by a representative of the club program making the offer.

Formal acceptance of an offer is determined by when the player selects their chosen club in the member management system. In the 2024-25 season, clubs will send an electronic offer via Sports Engine. Upon official commitment to a club that is registered with Badger Region/USA Volleyball, the athlete must remain with that club/team for the remainder of the Junior Volleyball season.

Please contact your regional Board of Directors representative or the Region office with questions. This information can be found on the Badger Region website at www.BadgerVolleyball.org.
