REVISED RULES FOR THE CURRENT SEASON

The South Shore Conference will run and operate all divisions under the rules listed below:

South Shore Conference is an affiliate of Massachusetts Hockey. As an affiliate of Massachusetts Hockey, SSC is bound by the By-Laws, Rules, Regulations, Guidelines, and decisions set forth by the Massachusetts Hockey Board of Directors.

1. All rules established and published by USA Hockey/Mass Hockey shall apply except as amended herein.
2. All games will start on time. Two (2) minutes will be allowed for warm-ups. After warm up, Y10 thru Y14 will be 3 12-minute stop time periods.
3. Penalties
 - A. Length: Minor – 1.5 minutes (90 seconds)
 Major – 5 minutes
 Misconduct – 10 minutes
 Game Misconduct – ejection from the game and a one game suspension
 Match Penalty – suspension, determination by the board and disciplinary committee.
 A player receiving three (3) penalties in a game will be ejected from that game
 - B. All players must proceed to the penalty box immediately after a penalty is called. Otherwise, another minor penalty (may) be assessed.
 - C. There will be no stick throwing, stick banging or profanity by the players or coaches in the player's box during games. A minor penalty will be assessed to the offending team with the coaches designating who will serve the penalty. No player is allowed to sit on, lean on or lean over the boards during game action.
 - D. If an official calls a major penalty for fighting in any period of the game, the player will receive a game misconduct for the current game plus a minimum of three (3) game suspensions will be assessed. The player may not participate in any other South Shore Conference game until his/her suspension is served. The suspension must be served in the next scheduled South Shore Conference game(s). The five minute major penalty must be served by a teammate, unless offset by a similar penalty against the opposing team. There is no right to appeal for the first fighting penalty on same player.
 - E. If an official calls a second major penalty on the same player for fighting, the player will be suspended from the game (with the five minute major being served by a teammate, if necessary) plus, the remainder of the season, pending a hearing.
4. Deliberate intent to injure another player will result in immediate dismissal from the league, following a decision from Mass Hockey.
5. A "third man in" penalty is a South Shore Conference three (3) game suspension. Additional discipline may be assessed by the Executive Committee.
6. During a suspension of a player, if a forfeit (win) is credited to his/her team, the game will be counted against the suspension. Cancelled games are NOT counted.

- A. The South Shore Conference, Inc. reserves the right to suspend a team, coach, player or parent for any cause that in its opinion is not in the best interest of the league. The Executive Board may assess fines, subject to a review.
- B. A suspension list will be posted on the SSC website. If any suspended or illegal player is playing in a SSC Game while under suspension by the Conference, the following action will be taken:
 - 1. The game will be forfeited to the other team. Coach will be suspended.
 - 2. If a program has a coach put on suspension for using an illegal player, that team is put on probation for the rest of the year. If a program has 2 coaches on different teams put on suspension in the same year, that program is put on probation for the balance of the year and must appear before The Executive Board before being able to register for the following season. Any additional coaches caught playing illegal players from the same program, that program may be dismissed from the SSC, pay all game fees for the balance of the year and not be accepted into the SSC in the future. Subject to a hearing, any illegal player will come before the Disciplinary Committee to review the incident. Coaches and Officials using illegal players will be suspended for thirty (30) days, subject to a hearing and could be suspended up to a minimum of not less than one (1) year by the USA Hockey rules.
 - 3. The South Shore Conference tries to post the standings and suspensions on the website on a frequent basis. Player suspensions posted are subject to our receiving the game reports at the time of the posting. It is the responsibility of the coach to enforce any suspension shown on the game sheet.
- C. Relative to the dispute involving illegal or suspended players, the South Shore Conference will go back to the two previous weeks from the time the incident report is received. ALL INCIDENT REPORTS MUST BE RECEIVED WITHIN 48 HOURS OF THE TIME OF THE GAME/INCIDENT OCCURRED. IF NOT RECEIVED WITHIN 48 HOURS, IT WILL NOT BE CONSIDERED.
- D. No South Shore Conference player, coach, official or fan shall use profane, abusive language; use obscene gestures or show unsportsmanlike conduct on or off the ice. The penalty is a South Shore Conference 3 game suspension. (i.e.: abuse is defined as an insult, vilify, mistreatments, profane language, swearing, etc.)
- E. Any abuse to the officials by a player or person will result in a South Shore Conference 3 games suspension. The Executive Board can review the incident and add additional disciplinary action.
- F. Any person going onto the ice without permission from the referee will be assessed a South Shore Conference 2 game suspension.
- G. The shaking of hands will be permitted unless called off by refs following the conclusion of the game and then both teams will leave the ice immediately. During the handshake after the game or while leaving the ice the following penalties will be assessed to the player(s) involved:
 - 1. Fighting and third man in – 3 games
 - 2. Verbal abuse – 3 games

7. Teams not able to place a full squad on the ice at game time will forfeit the game. Five (5) skaters and a goaltender will constitute a full squad. A maximum of twenty (20) skaters are allowed to dress for the game.

8. Only players registered for the team will be allowed to skate (except a goaltender may be substituted until the registered player arrives). A team skating a non-registered player will forfeit the game and the coach is suspended pending a hearing. Stamped rosters must be submitted on a USA Hockey team registration form to the Roster Committee chairperson, as designated by the president, prior to the first game or all games after that will be forfeited until rosters are properly submitted. Alternates for an "A"

level team must appear on the "B" or "B2" roster as submitted to the South Shore Conference. Programs that have "C" teams must submit a separate copy of that roster prior to using any "C" players or "B" alternates. If a hardship exists, the Executive Board will review each case.

9. Only teams with a responsible coach in charge will be accepted. Each team must have a coach who is responsibly patched and having completed the module for the appropriate level prior to the 1st game. To avoid congestion at the player's entrance, keep the team in the locker room until five (5) minutes before scheduled game time. Other than players, up to four coaches are allowed on the bench during the game. The Executive Committee has the right to revoke the 4 coaches on the bench privilege due to any incident.

10. It is the intent of the South Shore Conference to have all players from the same team in the same team colored uniform with permanently assigned numbers. If a team has two sets, the program will try to match the original number. In the case of a conflict of colors, the visiting team (listed second on the schedule) must provide an alternate jersey color or wear pullovers. Players on the same team cannot wear duplicate numbers on the jerseys. (Goalies are exempt)

11. In accordance with USA Hockey rules, all players must wear approved helmets and full-face guards and neck guards. No player will be allowed on the ice without these items. Where required, a mouthpiece not in proper position while on the ice is a misconduct penalty. Approved USA Hockey face shields must be worn.

12. During the course of the season, if a coach is requested to prove the age of any player registered, he must do so. Birth certificate will be given to the president or designee.

13. There will be minimum of two (2) officials assigned for each game; said officials are to be supplied by the South Shore Conference, Inc. The South Shore Conference will also provide timekeepers for each game. Due to unforeseen circumstances if only one referee is present, the game will be played and counted in the standings. If there is a USA Hockey patched official on the premises, the official can referee the game if agreed to by each coach.

14. Referees have complete control of the penalty boxes and the ice. Rink management and/or South Shore Conference Officers will control all the other areas.

15. Coaches, officials and scorekeepers may communicate their suggestions, complaints, etc. to the South Shore Conference, Inc. by filling out an incident report and forwarding it to the appropriate league vice president and/or league president within 48 hours of the incident. If the incident is a complaint, it will either be acted upon or you will be contacted by phone to explain why it cannot be acted upon. All incident reports should be emailed to pschwabe519@yahoo.com They will be forwarded to appropriate person(s).

A. A Disciplinary Committee will hold a hearing as needed.

16. Game Cancellations:

A. A team or teams cannot agree to NOT play a game or take a tie. THIS IS NOT PERMITTED. Every Game scheduled must be played.

B. Change of scheduled game:

1. Must be approved by the scheduler.

2. Team responsible for a change will also be responsible for all ice costs. SSC will provide

referee and scorekeeper costs for the rescheduled game. If more than 1 game is rescheduled, program will be responsible for referee and score keeper costs.

3. The team that is not making the change will have the regularly scheduled game ice for its own use.
4. All requests for game changes must be sent to the scheduler at least 30 days prior to the regular scheduled game by the Program South Shore Conference Director. Coaches are not allowed to make calls or make changes on their own. In a case where the schedules are not available 30 days prior to the request for change, requests must be made within one week of the release of the schedule.
5. Games must be rescheduled and played prior to last day of season. If not made up, game will be forfeited.

C. Procedure for rescheduling a game:

1. REQUEST PERMISSION FROM THE SCHEDULER by the Program Director.
2. Contact the opposing coach to propose an agreeable alternative to the regular scheduled game.
3. Receive the approval for rescheduling the game from the opposing coach and his definite intended use of the ice from its originally scheduled game. The non-cancelling team/program has the first option to use the regularly scheduled ice, plus referees if needed. If the non cancelling takes the ice and does not use it, they will have fines of \$100.00 and the Executive Board could assess any other costs incurred. If the non-cancelling team does not use the ice, the cancelling team/program has the 2nd option to use the ice as they see fit, subject to the above rules. If the ice is not going to be used at all, the ice reverts back to the conference, not less than 7 days prior to the cancellation.
4. Call or email scheduler to get final approval of:
 - Date of proposed game change, rink and time
 - Commitment from non-cancelling team/program or canceling team/program ice use
 - Whether referees or scorekeepers will be needed for the regularly scheduled ice
 - Send a copy of the game change to pschwabe519@yahoo.com
5. Scheduler will then notify the referee-in-chief of the game change and the need for referees/scorekeepers at the original ice time. In NO case will the coached be allowed to call the referee-in-chief to schedule referees/scorekeepers.
6. Game sheets for the rescheduled games must, upon completion, be mailed or emailed by the cancelling team's coach to the conference scheduler within one week of the date the game is played.
7. Scheduler must be advised of the place and time when a make-up game will be played.
8. The league must always be paid for all scheduled games and practice ice. This is enforced with NO exceptions.
9. Violation of the above rules will result in a forfeit.

17. The member towns and the coaches of each team are responsible for the behavior of the spectators from their town. If the spectators get unruly or abusive during the game, it is up to the direction of the referee to stop the game and determine who is at fault.

- A. The South Shore Conference will establish a discipline committee to investigate and conduct a hearing, if appropriate, concerning any major incident involving a spectator or parent. An officer of the SSC will chair the Discipline Committee. The Discipline Committee will be comprised of three members and a chair.

- B. B. A major incident shall be defined as, but not limited to, the use of obscene or vulgar language, verbal abuse, taunting of players, coaches, officials or throwing objects in the viewing area, team benches or ice surface, etc.
- C. When a major incident of the ice rink property used by the SSC involving a parent or spectator is brought to the attention of the SSC Executive Board by rink officials, ice officials (referees, scorekeepers), incident reports or other programs, the affected programs will be notified by the SSC.
- D. The program will have 48 hours to respond to the chairperson of the Discipline Committee with recommendations for discipline. The program will identify everyone involved. If the program's action is deemed acceptable, no further action shall be taken. If the chairperson of the Discipline Committee deems the program's recommendation unacceptable or inadequate, the individuals involved will immediately be suspended from all SSC activities until the incident is resolved. The Discipline Committee will convene to investigate the incident and hold a hearing within one week. All parties involved in the major incident will attend the discipline hearing.
- E. Annually, prior to the start of the hockey season, each program will be responsible for sending written or electronic notice to the membership advising them of Rule #19, a copy of the letter will be submitted to the South Shore Conference president, no later than the September director's meeting.

18. The member towns will pay for any damages or defacing done in any rink used by the South Shore Conference, Inc. when it is determined whose players/coaches caused the damage.

19. B2 teams are only allowed to borrow players from the age classification below and only from the B team. No A players can be borrowed to fill in on any B2 team.

- A. Request for a player or goaltender to skate at a higher level and/or for an additional game, must be approved by the appropriate division vice president.
- B. A player or goaltender skating at a higher level for four (4) consecutive games or a total of eight (8) games, including playoffs, will belong to the higher level team.
- C. NO PLAYER OR GOAL TENDER MAY PLAY ON A LOWER LEVEL UNLESS APPROVED.
- D. With the permission from the vice-president of the division of the higher level, a team may play a player for two games in one weekend, providing the team requesting the additional player does not have more than 13 skaters, Mites through Bantams.
- E. All teams must use goaltenders from within their town program in all SSC games. If no goaltender is available from the town program, a team can use a goaltender from another SSC team. If there are no goaltenders available from the SSC teams, then a goaltender from another program can be used. Roster Chair must approve and must be USA Registered.
- F. The coach's selection of a goaltender outside his program is subject to review by the division vice president. The coach must demonstrate that: a. it was unforeseeable that a team's goaltender was not available to play the subject game b. the town program goaltenders from the SSC were not available and c. the coach used his best efforts to use goaltenders from the SSC teams. In the event that a coach fails to demonstrate the aforementioned criteria, then the SSC may take disciplinary action against the coach, including but not limited to, forfeiting the subject game and/or suspension.
- G. Any relief from these rules must be petitioned to the Executive Board prior to September 1st of any year in the season to be played.

20. A coach must ensure a roster only lists those eligible players participating in that game. Names of suspended and/or absent players must not be listed on the game sheets. Violations of this rule can result in a minimum of a one game suspension of the coach. A player reporting late to a game must advise the referee to have his/her name put on the game sheet.

21. All coaches participating in the South Shore Conference must be patched as prescribed by the USA Hockey/MASS Hockey Article II, section 1 and 2 (page 23 of the Mass Hockey book) This rule applies to Mites (Y8) through Midgets (Y18). All coaches also must have an age appropriate module and safe sport training.

22. Multiple teams, within their respective level, cannot draw players from each other. (I.e.: Y12U B White to Y12U B Gold) Multiple teams within their respective levels are required to roster their teams on an equally balanced basis. The division vice president will review the goaltender policy.

23. Programs cannot send a lower team level to play in place of their higher team. (i.e.: Y12U B team cannot play a regularly scheduled game in place of their Y12U A team). This applies to all levels, including playoffs.

24. A Y18 player(s) receiving his /her three game suspensions for fighting can result in an additional one or two game suspension.

25. A SSC director cannot miss attending 3 monthly meetings from August through June. The SSC director is responsible to designate an alternative officer or director of the program. Failure to do this will count as an absence.

26. A check from behind/head contact and/or head butt results in a 2 game suspension. If a check from behind, head contact or head-butt results in injury, the suspension will be reviewed by the SSC and is subject to additional suspension and/or hearing.

27. Any team having more than the number of major penalties as stipulated below WILL NOT BE ALLOWED TO PARTICIPATE IN THE PLAYOFFS:

- A. All short season teams- maximum of 5 major game misconducts

29. The use of "cow bells" and other noise makers will not be allowed before, during or after any SSC sponsored event. The conference is following a long line of organizations that have banned these devices, (i.e.: MIAA, College Hockey and the NHL).

30. All elected officials have the right to vote for any new membership.

New Regular Season Rules

U8 Full Ice through U12 (Boys and Girls):

- 2 Minute Warm Up

- 3 12-Minute stop time periods
- Penalties:
 - Minor - 1 minute
 - Major - 5 minutes
 - Misconduct - 10 minutes

U14 (Boys and Girls):

- 2 Minute Warm Up
- 3 12-Minute stop time periods
- Penalties
 - Minor - 1.5 minutes (90 seconds)
 - Major - 5 minutes

U18 Boys and U19 Girls

- 2 Minute Warm Up
- 3 15-minute stop time periods
- Penalties:
 - Minor - 2 Minutes
 - Major - 5 Minutes
 - Misconduct - 10 Minutes

Regular Season OT U10-U18: (No Mites)

- 5-minute run time overtime period
- Teams change ends
- 3 on 3
- If tied after OT, game will go down as a tie

Curfew Clock:

In the event of a game running long and there's a risk of teams being kicked off the ice do to an ice block ending, the clock will be set to the remaining time left in the ice block, and the clock will run until the very end, not stopping the clock for goal differential.

Example 1: If a game is scheduled from 12:30pm to 1:30pm and if the start of the 3rd period is at 1:21pm, the clock will be set to 9 minutes and will be running clock, regardless of goal differential.

Example 2: There's a game that's scheduled from 12:30pm to 1:45pm and if the start of the third period is 1:20 pm, the clock gets set to whatever time is left (12 min, 15 min, etc.) and at 1:39pm, the amount of time in the game that is left is approaching what is left in the hour, then the remaining amount of time in the game will run.

The point of the curfew clock is to make sure all scheduled games stay on time and eliminates the 60/70/75 minute game slots from going late.

In the event of an injury in the 1st or 2nd period, the clock will stop. In the event of an injury in the 3rd period the clock will continue to run.

If the goal differential is still less than 4 goals and time is running out in the 3rd period, the clock will continue to run.

Regular Season Running Time Policy:

When a team establishes a lead with 5 or more goals, the clock will run at any point and time in the game and as soon as the goal differential is reduced within 5 goals, the clock will go back to stop time. With the curfew clock in play, regardless of the goal differential, the clock will run to allow for all scheduled games to be played.

SOUTH SHORE CONFERENCE, INC. CURRENT SEASON POLICIES

1. In order to begin the monitoring of rosters early in the season the following policy is in effect:
 - A. By August 1st, each program must submit on a USA Hockey Official Player Roster Form for Y18U and Girls 19U players. Failure to comply with this policy may result in a team forfeiting the next game or games until the roster is binding.
 - B. By August 15th, all programs must submit the USA Hockey Player Roster form the remainder of their teams skating in the SSC, as well as their "C" team rosters. Failure to comply with this policy can result in the team forfeiting their next game or games until the SSC roster is binding.

2. Any and all roster changes during the season must be reported immediately to the divisional vice president on a "change roster" form. Failure to comply with this policy will result in a fine of \$100.00 for each incident of the program.

NO PLAYER WILL BE ALLOWED TO PLAY IN A SSC GAME UNTIL THE SSC ROSTER COMMITTEE RECEIVES A COPY OF THE "CHANGE OF ROSTER" FORM. THE MASS DISTRICT REGISTRAR MUST STAMP THE CHANGE.

Roster Committee: The roster committee will consist of the President and Vice President of both levels:

 - A. A copy of the SSC game sheets will be forwarded to the roster chair in order to review the game sheets.
 - B. This will enable the verification of the roster/game sheets to be less time consuming and any questions or problems can be resolved immediately.

3. Any programs that violate these policies on a consistent basis (to be determined) will be subject to probation.

4. All programs must have an A and a B team in Y10U and Y12U unless approved by SSC. If a program does not have an A team and it is approved by the executive Committee, that team will not be eligible for playoffs (highest team in level). A program may have multiple A, B or B2 teams.

5. In the G19U Division and Y18 Division (short season only), a player or goaltender skating to a higher level on one of these teams for 2 consecutive games or a total of 4 games, including playoffs, will belong to the higher-level team.

6. There is no "time out" in regular season games in the SSC.

7. Forfeit assessments: If a team forfeits a game, they are assessed a fine of \$100 plus pay the opponent's game cost for that game. If a team forfeits a third game during the season, they can be dismissed from the league and pay all costs due for the season.

8. Bye Policy:

- A. All teams are permitted to draw up to a maximum of 2 byes for the season. This is in addition to any team that qualifies for the State Tournament.
- B. Conditions attached to Bye requests for the State Tournament are as follows:
 1. One bye is allowed prior to December (maximum)
 2. One bye is allowed from December to the end of the season
 3. The coach of a team must request the bye through his program director. The specific director will advise the scheduler of this request on the proper "bye request" form prior to the deadlines below. Requests made after the deadline WILL NOT BE ACCEPTED.

Bye requests from September 1st through November 30th must be received prior to August 1st.

Bye requests for December 1st through February 17th must be received prior to the October Director meeting.

Note: There are no games scheduled for the weekend ending February School Vacation.

Bye requests from February 26th through March 10th and the end of the season must be received by January 15th. (Only one per team is allowed this period.)
Byes are NOT allowed in the playoffs.

9. 18U and G19 Player Policy:

If a member program places more than one team in the Y18U B levels, then, at times, when the coach knows that he/she is going to have less than 10 skaters and a goalie, then that coach can borrow from the other Y18U B team. Only the amount of players needed to bring the roster to 10 skaters and a goalie is allowed. The coach can borrow a player. The borrowing of players laterly will be monitored and approved by the SSC Y18U Coordinator and the "B" vice president.

10. 18U Division Mission Statement:

18U A - It is the intent of the level to have all older players (players of age 18) and all players who will be playing for their high school varsity teams on line 1,2 and 3. This level should be viewed as a "tune-up" or "get in shape" for the high school season.

18U B Short Season- It is the intent of this level to have players who will be playing for their High school hockey teams on lines 4 and 5; also, those players who will be playing for their high school junior varsity on lines 1 and 2. This level should be viewed as a "tune-up" or "get in shape" for the high school season.

18U B2 – Full Season- The intent of this level is for players who do not make their varsity or junior varsity teams.

11. Girl's Division:

Rules and Policies:

- A. Girl's Division follows all South Shore Conference rules, policies and regulations. Playoffs, also, follow all South Shore Conference rules, policies and regulations.
- B. Girls 10U, 12U and 14U – all teams make the playoffs (single game elimination).
- C. Girls on the G12UB team may play up on the G12UA team following the SSC Borrowing player rules and includes playoff. This must be approved by the SSC VP "B" Division.

- D. Girls on any 12U team can be borrowed to play on the G14U team following the SSC Borrowing Play Rules and includes playoffs. This must be approved by the SSC VP "B" Division.
- E. Girls rostered on a higher division team are not permitted to play "down" at any time on a lower division team, even if age eligible for the lower division.
- F. Girls on a lower division team are allowed to play or be borrowed by a higher team even through playoffs as normal SSC Borrowing player rules apply, and SSC requires a minimum of 20 league games played to qualify for playoff eligibility.
- G. Girls can be rostered on a G12U team as well as Y12U team participating in both the Girls Division and the Youth Division throughout the regular season and playoffs. Players should only be rostered on 2 teams and will require the approval of the SSC VP "B" Division.

12. Team Placement

- A. Girls will be placed in one division through November 9th. From November 15th on, they will be split A and B if there are enough teams.
- B. All teams will be scheduled for games based on program team placement from early September to November 9th for each division.
- C. Programs should look at placing teams in A or B divisions based on consideration of the teams competitiveness from the prior season, age of the players and the skill level overall of the players. Programs should not automatically place a Girls team in the A Division.

South Shore Conference Short Ice U8 Playing Rules

1. All games will be 4 on 4 with a goalie.
2. Game Time: There will be two periods or halves. A two-minute warmup will be given. A 25-minute runtime first half will be played. A one-minute break on the score keeper's buzzer will be given between periods. Expect a 25-minute runtime second period as well, however the second half may be lengthened or shortened to fill the time remaining at the discretion of the Mite Administrator.
3. Face-offs - Use all five locations as follows:
 - a. After goal - center ice
 - b. After penalty - center ice
 - c. After goalie cover-up at the nearest circle.
 Note: we do not throw pucks into empty corners instead of face offs.
4. Penalties: Penalties will be called in accordance with USA Hockey Rules. Referees will explain infraction to the player. The player must then go to the bench for one complete shift. The player will be immediately substituted and 4 on 4 play will continue.
5. Scorekeepers: "GameSheets" electronic system will be used. Scores will be kept, with individual statistics. "GameSheets" will include only the players that are present. Coaches must cross out missing players and notify the scorekeeper.
6. Referees: Each game will have one certified Referee.

7. Pulling the goalie for an extra skater is not allowed.
8. All short ice games at all levels will be played with age-appropriate 36x48 goalie nets and blue pucks. All levels of SSC Mite teams will begin the season on $\frac{3}{4}$ ice. After realignment, the Mite A Herman teams will begin their full ice South Shore Mites season playing Squirt rules hockey including full size nets and black pucks. Mite A age appropriate, B and B2 teams will continue playing in the short ice format.
9. Although Mite administrators will be in place for most $\frac{3}{4}$ ice games, ultimately it will be the responsibility of the two head coaches to make sure the proper setup and game rules are followed. Any deviation from this will be grounds for suspension.
10. Coaches and Mite administrators will be responsible for setup and breakdown of dividers. It is a rule that all teams be equipped with a coach's helmet and one pair of skates per team in case an official is unavailable.
11. Have Fun!

Inclement Weather – In the event that games will be postponed due to inclement weather or any other unforeseen circumstances, the SSC will first contact the program director, second – the program president, third – the program coach. It will also be posted on our website.

Your cooperation is asked in NOT calling the SSC officers, officials. This only delays the outgoing notification process. If you have any questions, call your SSC director. The names and phone numbers are included in this manual.

Program Directors - Each member program appoints or elects a director to the South Shore Conference. They become the key go-between in all conference matters with the hometown programs. Coaches should always contact their director on any questions, policy, rule clarification or other information. Program directors are responsible for the passing of rules that govern the SSC both in play and operations.

Number of Games - This season the SSC is attempting a 30 game regular season schedule for all full season divisions. This can be affected by inclement weather, though we try to maintain an equal number of games per level.
