

# Millennium Soccer Association

## Northwest Indiana's Premier Soccer Club

### Player Sponsorship Program

Millennium Soccer Association is a premier soccer club located in Northwest Indiana! Our mission is to develop each player that goes through our program and help prepare them to get into college! Millennium SA participates in the Indiana Soccer League (ISL), US Youth Soccer National League Midwest Conference & in the best showcase events in the country!

We have created a Player Sponsorship Program to help reduce some of the costs players acquire associated with club soccer which will give them the opportunity to participate in the high level showcase events we wish to attend. Each individual player receives 100% of your donation to help offset their costs for tournaments & showcases they attend throughout the year.

Please return this form along with your payment to Millennium Soccer Association and submit your company logo or graphics in JPEG format to fodbal@aol.com. Your business logo and a link to your company's website will be posted on our website throughout the year. Any support you can provide to our players is appreciated!
