

Montachusett Ski and Snowboard Club Members

If you are joining us on either the Big Sky, Montana or Jackson Hole, Wyoming Ski Trip(s) this year; please make an informed decision regarding insurance.

We have contracted with Travel Protector's Insurance (Myra Alschuler) for **BASIC Travel Insurance** for both of these trips. The KEY word here is **BASIC** and you may feel the need for extended coverage. You are welcome and encouraged to purchase additional coverage through Travel Protectors or a different insurance company.

If you purchase Option 2 or Option 3, you will need to contact Myra directly and make payments with Travel Protectors. If you choose Option 3 (cancel for any reason), you **MUST** purchase that insurance within 14 days of your initial deposit (August 18). If you choose Option 2, it is also recommended that you purchase this insurance soon after you make your initial deposit.

Remember if you need to make a claim:

1. Medical claim- you **MUST** use your primary health insurance first.
2. You will have to pay all invoices upfront and then contact Myra for re-imbusement.
3. **Document – Document – Document It is your responsibility!**
No insurance company is going to take your word. You may need receipts of all payments to MSSC, airline reservation, baggage ticket, proof of flight delays or cancellations, lodging and food receipts, lost luggage claim, etc.

Why do I need Option 2? – Because LIFE happens. Be Prepared and Covered

- Most folks chose this option and will be covered for standard reasons (illness, injury, death, work related reasons).

Why do I need Option 3? You want your life to be WORRY FREE!

- This is a more costly option, but will give you peace of mind for the unexpected circumstances that may come your way.

ALL CLAIMS MUST BE SUBMITTED TO TRAVEL PROTECTORS; MYRA ALSCHULER. myra@travelprotectors.com or 703-443-9055

She will help you deal with the airlines if you need to provide any airline documentation.

Give Myra a call or email to help you decide on the best trip insurance for you.
