

## 2024 Bengals Report

Tryouts for the 2024 season saw about the same numbers as last year, cuts were necessary in all age groups.

We were able to roster one team for U7, U9, U11, U17, U22 and two teams for U13 & U15. This year we fully separated rep teams from our house league program, with the exception of the U13-2 team.

We saw an increase in the use of AP's this season by almost every team. I would suggest having a policy & procedure in place to streamline the selection and identification of AP's. This would eliminate the request for player cards at the last minute before a tournament.

We made the move to a new hotel for most of the teams for Provincials. The general consensus is that it was a great hotel and centrally located between most of the rinks. I would recommend booking this hotel for next year as well.

We had a few teams make it to the championship game at Provincials. A big congratulations to our U17 team for their "B" division championship win & our U22 team for their "C" division championship win.

A big thank you to our coaches, trainers, and managers for a great season. We would not be able to do any of this without you.

Shawna Dolman  
Bengals Director
