2024 Sponsor Program

January 20, 2024

Dear Friend and Guilderland Prep Baseball Sponsor –

Thank you for taking the time to read this letter today. It is that time of year when we begin to prepare for the next season of baseball at Guilderland Prep Baseball.

Many different people are involved with Guilderland Prep Baseball. We have our players, parents, volunteers and board members and of course sponsors.

The past several years has brought tremendous change and progress at our fields. At Dutchmen Field, we were able to build a two-story building, housing the concession stand on the first floor and press/meeting area on the second floor. We installed 98 stadium seats directly behind the backstop and a set of 20 seats down both baselines. Field lighting, 2 batting cages and a garage/storage building that has an attached pavilion overlooking the field, so fans can watch the games while being sheltered from the weather. Dutchmen Field is one of the finest playing fields in the area for both our players and the visiting teams.

Tawasentha Park, continues to be a fabulous field for our younger players at the start of their baseball careers. This facility is presently going through a major field renovation including a complete infield realignment and resurfacing and a full field irrigation system. Two new, larger dugouts were built 2 years ago and the concession stand/ announce booth will be rebuilt in the near future.

The two fields, and all the equipment, maintenance and supplies that go along with operating a baseball league, of course require financial support. While player registration fees cover much of the expenses, we also rely on the generous support of those in our community.

We are inviting you to partner with us, whether it is your first time or a continued supporter of our mission, to keep community-based baseball alive and well in Guilderland. We strive to provide a place where all kids interested in playing baseball are able to have a great baseball experience. We anticipate over 100 players in our 2022 season, offering many levels of play for the young adults in our community. From our prep program to our competitive travel league to the many tournaments we host. We have baseball opportunities available for all skill levels. We even have an 18 and over team for the young men who want to continue playing baseball.

On the attached form you will find various ways in which you can support Guilderland Prep Baseball. All sponsors will have their name, logo and contact info prominently displayed on our web-site. Or you can simply send us a donation to let us know that you support our League's efforts to help the youth in our community. Fill out the 2024 Sponsor Form on the document page of the site and send to Mark Blaauboer via email markblamauber@yahoo.com.

We hope you can help. The young adults playing today and the hundreds of kids that are playing in Little League, and even those that have yet to pick up a baseball, thank you, as do we.

Sincerely,

Don Chrysler
President - Guilderland Babe Ruth Baseball
