

DSYSA Volleyball Rotation - Initial Serving Team

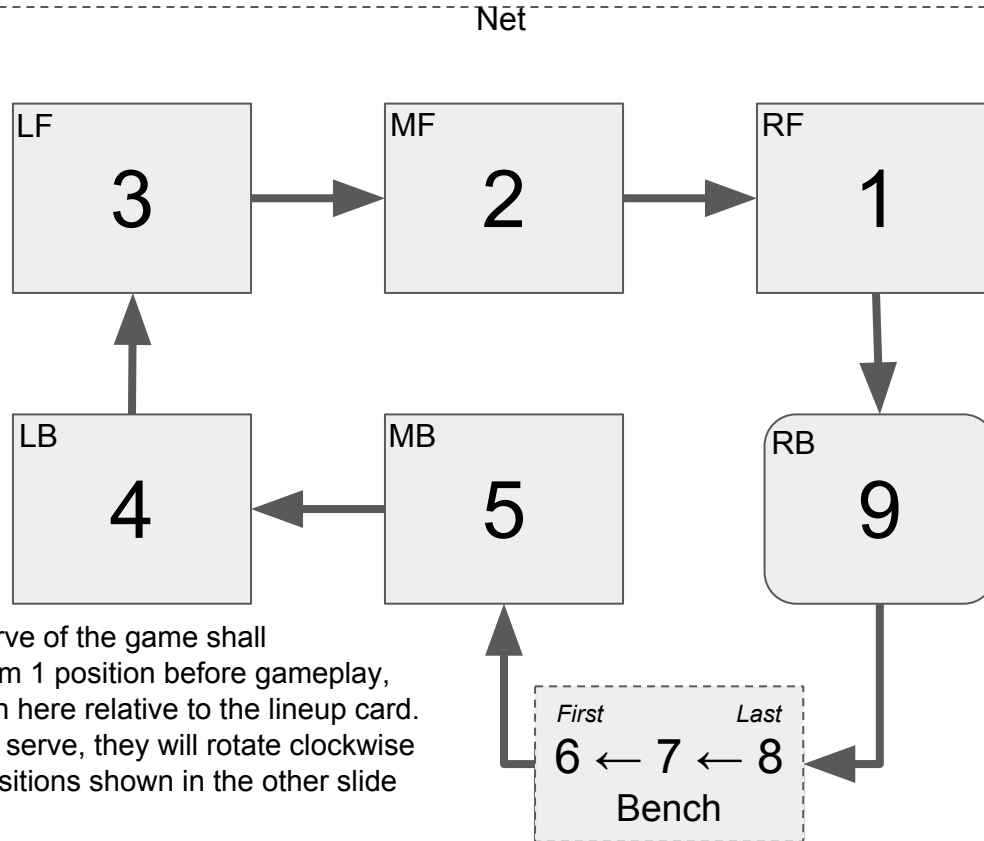

Lineup Card

- 1 - Ava
- 2 - Bailey
- 3 - Chloe
- 4 - Dani
- 5 - Emily
- 6 - Farah
- 7 - Grace
- 8 - Hannah
- 9 - Isabella

Prior to the coin toss, coaches shall submit their team's lineup card specifying the position of each player according to this diagram.

Your team's first server is at the top of the list (#1), and **she will serve first for your team** regardless of the coin toss decision.

DSYSA Volleyball Rotation - Initial Receiving Team

<u>Lineup Card</u>	
1	- Ava
2	- Bailey
3	- Chloe
4	- Dani
5	- Emily
6	- Farah
7	- Grace
8	- Hannah
9	- Isabella

The team receiving the first serve of the game shall "**reverse-rotate**" the entire team 1 position before gameplay, resulting in the positions shown here relative to the lineup card. Once this team is awarded the serve, they will rotate clockwise as usual, resulting in player positions shown in the other slide "Initial Serving Team"

DSYSA Volleyball Rotation - Summary

1. **Rotate clockwise** whenever service changes to your team.
2. **RB/1 rotates out** to the last bench position. First bench player **rotates in to MB/6**.
3. Plan and submit your lineup assuming your team will serve first.
4. If your team ends up receiving first, reverse-rotate your team prior to gameplay. Everything is "normal" after that!
