INSTRUCTIONS:

- **TEAM PACKETS:** Information packets with course maps, runners' race numbers, and lane assignments can be picked up at the main shelter at Central Park.
- **MAPS:** Course maps for the 5k race will be available with team packets at the meet.
- **PARKING:** There are parking lots available at Central Park. It's easiest for busses to enter the lot off of Regent. Brookland Golf Course borders Central Park and the golf course has asked us not to park in the golf course lot. Coaches please pass this on to parents and spectators. As far as bus parking goes we're asking that busses yield the parking lot at Central Park to spectators. Bus parking is available back at Park Center (about 1 mile south on Noble). If you're able, please have your busses park there after dropping off and call to arrange pickup.

REGISTRATION & RESULTS:

- Mike Weimerskirch will handle timing, scoring & results. Mike takes athlete data from MSHSL rosters so please make sure those are up to date.
- Results will be posted on site and available on www.weimertiming.com following the meet.
- If your data is not on the MSHSL site, please e-mail it to Mike.

AWARDS:

- Team trophies to boys and girls winning Varsity teams
- The top 10 boys and girls in the Varsity & JV Races will earn medals/ribbons, which will be handed out in the chute.

REFRESHMENTS:

- Unfortunately we do not have concessions available this year.

***** ENTRY FEE: \$50 per boys or girls team for first 40 runners; \$10 more for each additional 10 runners. Payable to Park Center Senior High. *****
