

Block of Ice Application 2020-2021

What is a block of ice?

A block of ice is 50 minutes of private ice provided to non-profit organizations who have programs for children and teens. Ice is regularly priced at \$300.00/50-minutes

How can a block of ice be used?

A block can be used as a fundraising tool or an appreciation event for supporters of your cause. Generally, only one block of ice is awarded.

How do I use a block of ice as a fundraiser?

As your organization is receiving ice at no charge to your organization, you can charge a fee for supporters to come and skate. We recommend charging anywhere between \$5-\$10 per person.

Are skates included in our block of ice?

Skates are not included in your block of ice. Amelia Park Arena does rent skates (both hockey and figure) at a rate of \$4/pair.

Are we covered by insurance in case of injury?

Each organization must provide Amelia Park Arena with a certificate of liability that we will keep on file for 1 year from issue.

Will Skate Guards be on duty?

Generally, for private rentals we do not have a skate guard on duty. However, we can certainly provide you with a skate guard at \$12.75 per hour. Scheduling of the guard will need to be done no later than 1 week prior to the event. You can certainly provide your own guards but they must be designated to the arena staff so our staff can briefly train them on ice conduct.

Blocks of ice are limited each year and unfortunately, not every application will be accepted. We accommodate groups on a first come first served basis.

To be considered, please review the procedures below:

1. Complete application on next page with appropriate information and signatures
2. E-mail applications to Cpagella@AmeliaParkArena.org
3. You will received a notification email upon receipt of application
4. We will contact your with a time for your event once the process is complete.
