

Parents/Players,

The Lady Vipers Lacrosse (LVL) Board would like to pass along an important update from the UIL regarding Preparticipation Physical Exams for the upcoming 2020-21 School Year.

Leander ISD policy normally requires an annual athletic physical prior to a player participating in any practice or game with their respective school. Due to the COVID-19 Pandemic, the UIL is allowing any 2019-20 Athletic Physical to be valid for the 2020-21 School Year. Leander ISD recommends that each student complete an athletic physical annually but will allow the 2019-20 Athletic Physical to be valid for the 2020-21 school year per the UIL Legislative Council recommendations.

The requirement for the 2020-21 school year is that all parents & players complete the **Medical History Questionnaire** that can be found attached to this letter. Once the form is complete, students will be allowed to practice and play for the 2020-21 school year.

Under these new guidelines, a student would not need to see a physician for a full exam unless they meet the latter criteria. Students meeting the criteria below will need a full physical exam by a physician of the family's choice.

STUDENTS REQUIRED TO HAVE A PHYSICAL EXAM BY A PHYSICIAN to be eligible to participate in practices and games:

- No 2019-20 Preparticipation Physical Exam on record with the LVL program (new students/incoming Freshmen)
- Answered "Yes" on any question on the Medical History questionnaire that was not previously cleared by written documentation from the treating physician. The LVL Board will review the questions that were answered "yes" on and determine if a Physical Exam will be necessary.
- Any significant injury or condition that needed treatment by a physician since the student's last physical exam

If a student does not meet above criteria, then they may use the 2019-20 Physical Exam as a valid 2020-21 physical and practice/play as long as they have the following:

STUDENTS THAT DO NOT NEED A PHYSICIAN EXAM:

- Have a 2019-20 Physical on file with the LVL program
- Completed the 2020-21 Preparticipation Physical Exam Medical History questionnaire
- Has answered all "No" on the 2020-21 Medical History questionnaire

If you have any questions, please reach out to info@ladyviperslax.net.

****EXPLAIN 'YES' ANSWERS IN THE BOX BELOW (attach another sheet if necessary):**

It is understood that even though protective equipment is worn by the athlete, whenever needed, the possibility of an accident still remains. Neither the University Interscholastic League nor the school assumes any responsibility in case an accident occurs.

If, in the judgment of any representative of the school, the above student should need immediate care and treatment as a result of any injury or sickness, I do hereby request, authorize, and consent to such care and treatment as may be given said student by any physician, athletic trainer, nurse or school representative. I do hereby agree to indemnify and save harmless the school and any school or hospital representative from any claim by any person on account of such care and treatment of said student.

If, between this date and the beginning of athletic competition, any illness or injury should occur that may limit this student's participation, I agree to notify the school authorities of such illness or injury.

I hereby state that, to the best of my knowledge, my answers to the above questions are complete and correct. Failure to provide truthful responses could subject the student in question to penalties determined by the UIL

Student Signature: _____ Parent/Guardian Signature: _____ Date: _____

Any Yes answer to questions 1, 2, 3, 4, 5, or 6 requires further medical evaluation which may include a physical examination. Written clearance from a physician, physician assistant, chiropractor, or nurse practitioner is required before any participation in UIL practices, games or matches. THIS FORM MUST BE ON FILE PRIOR TO PARTICIPATION IN ANY PRACTICE, SCRIMMAGE OR CONTEST BEFORE, DURING OR AFTER SCHOOL.
