It gives me great pleasure to welcome you to tonight's hockey game. Please sit back and enjoy the experience. Let's release the kids to the game and enjoy watching the girls display their skills and talent.

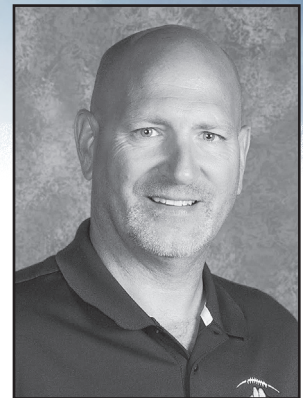

The Blaine girl's hockey team is part of a Blaine High School Activities program that represents our school with class and dignity. The young women work very hard to provide exciting entertainment and to protect the great tradition established at Blaine. The coaching staff is full of dedicated coaches who care more about the players and their development than wins and losses. We are fortunate as a community to have these coaches working with our girls.

Thank you to all of our families for their sacrifices over the years. It is the true commitment and dedication from you that sets Blaine hockey apart from the rest. I would personally like to thank the parents for the sacrifices they have made over the years that allowed these young women to continue to play a sport they love. Your commitment to them will pay great dividends in the years to come.

So, as you enjoy this year's hockey season, feel the energy generated by our athletes and support them with great enthusiasm and sportsmanship! Join all the fans and enjoy the pageantry, excitement and intensity of Bengals Girl's Hockey.

Celebrate Greatness,

AMANDA LARSON

Parents Names: Steve and Amy Larson

Siblings: Lorelei and Chris

Favorite Hockey Memory: I really enjoyed the last practice of my junior year. Jayla and I switched gear and it was super funny. It's easy to say I will not be going D1 as a center.

Who influenced you most in hockey?: My coaches Steve Guider and Patrick Brennan had the most influence on me. They put in the energy I put in and never gave up on me. They helped me feel a belonging on the team.

What are your plans after high school?: I am going to attend the University of Wisconsin-River Falls. I will be majoring in elementary education and minoring in early elementary education.

What is your pregame ritual?: I drink a Bengals Bomb from Health Evo, I eat half of my foot long sandwich from Subway, then when at the rink I do some hand-eye coordination with my racquet balls and solve my rubiks cube multiple times. Just before the game starts, I visualize my team and myself doing well then I say a quick prayer.

What advice would you give the underclassmen?: Work harder than you think you can, play smart, never give up, and have fun. You get out what you put in and you're here to play the sport you love.

Message for those who have supported you in your hockey career.: Thank you to all of my coaches from the present and past for listening to all of my questions and helping me improve. Thank you to my parents for supporting me throughout all these years, driving me to and from practices/games, and paying for all of this to be a possibility. Thank you to my siblings, Lorelei and Chris, for cheering me on throughout my hockey career. I think of you every time I play. Thank you to my friends and teammates, especially Jayla and Audrey, for being with me and making me smile. You two are such an important part of my hockey story.

**Mandy.**

If asked to describe you, the words smart, quiet, kind, helpful, well-mannered, witty, and a GREAT sister immediately come to mind. Not only are you a deep thinker, but you have a huge heart. This is apparent through your unmatched devotion to your friends and family. We have pictures of you as a hockey player, ballerina, softball player, choir member, tennis player, actress, soccer player, leaving the country to travel abroad for hockey, and so many other activities. Many of these pictures are of your smiling face, but these do not reflect the amount of dedication, practice and time you put into saving or scoring a goal, hitting an ace or a homerun, singing and dancing, or getting to achieve that ultimate reward.

We're also proud of the moments that are not in pictures. Your quick wit that makes us laugh; you're amazing innovation, creativity, and especially your ability to think outside the box.

We've seen your determination to do what is right no matter the consequence or reward, make decisions wise beyond your years, and marveled at your ability to remain humble with your achievements. In fact, it came as no surprise to us that when you received your acceptance letter and scholarship to University of Wisconsin, River Falls.

We have watched in amazement at the inspiring, compassionate, resilient young woman you have become. In academics and hockey, your leadership and athleticism have shone brightly.

We know that you've always been able to adapt to any situation and find an alternate path or a different outlook. You'll always bring laughter and love to those around you.

Keep developing your passion and igniting your dreams. You will set the world on fire!!

We'll always be your biggest fans in everything you do.

We love you always and are so very proud of you!

Mom, Tata, Lilo and Chris

Favorite Hockey Memory: My favorite Hockey memories are the friendships that you make along the way. The Grand Rapids trip sophomore year. The car rides with Hailey Hansen before I could drive and getting \$1 cones from Culver's after practice. Playing with Taylor for literally my entire life (11 years with my best friend). The Boston trips for my summer team and the adventures we go on... There's too many to count.

Who influenced you most in hockey?: Both of my parents have always helped me and have always supported me with my goals for life in general, which really helped me excel as a player and a person since I knew I had that support system always available whenever I needed it. The other person who I can't thank enough would be my summer hockey coach Ryan Olson, who has been my coach for over 6 years now. He has done pretty much everything you can ask for from a coach. From being hard on me because he knows I can be better, took time out of his day to come shoot with me for multiple hours and days a week. Ryan has been a constant supporter for me through the years. He's been there for games for teams that he doesn't even coach for, he's been there for everything good and bad and I cannot thank him enough.

What are your plans after high school?: Attend a four year college and continue to play hockey.

What is your pregame ritual?: My pregame ritual is get to the rink early to watch JV and listen to my music while taping my stick. I also eat Gracy's amazing chicken and rice and then after warmups as a team I stretch by myself to get locked in. When I get on the ice, I do my handshake with Taylor.

What advice would you give the underclassmen?: Make the most of every moment you get whether it's at the rink for practice or games or even at school. Make sure to make yourself proud and don't worry about what others think. Life goes by way too fast to be worrying about other peoples opinions about you. It goes by faster than you think so always do the right thing.

Bella,

We are so proud of you and the wonderful young woman you have become. From endless hours of stick handling and shooting, to early morning workouts and skates there has never been a doubt that you truly love this game. Your perseverance and dedication really shined this past six months - you were determined to get back on the ice for your senior year and support your team, no matter the pain or effort it took. We know it wasn't easy, but even in adversity, you remained true to your goal and the commitment to your team. The skills you have learned around teamwork, time management and communication along with your passion, dedication and determination will set you up for great success in the future, of that we have no doubt. Thank you for being such an inspiration and a source of pride and joy, both on and off the ice. May your senior year be nothing short of incredible, just like you. Love You Always Bells! Mom, Dad and Justin

Message for those who have supported you in your hockey career.: Thank you for everything you guys have done for me. I appreciate all the time and energy that you guys have put towards me.

Who influenced you most in hockey?: My dad is my biggest influence in hockey. He has coached me since I can remember and has always dedicated hours he never had to make me the best player I can be. I am very thankful to have received great knowledge and advice from coaches, family and friends that I will forever cherish.

Minnesota Ms. Hockey Goalie Award

Let's Play Hockey annually presents the Ms. Hockey Award to the top senior high school girls hockey player in the state of Minnesota. The award started in 1996, while in 1999, an additional award was added, the Senior Goaltender Award. Academics, community service, citizenship, coachability and on-ice performance prove to be the criteria for these prestigious awards.
