WE NEED YOU!

We are looking for a few more people to join us in running the rec program! We've had some amazing people that have hit their tenure this spring and we need help filling their seats. We support Baseball, Softball, T-Ball, 8U, Soccer, Volleyball and Flag Football in the SCC school district with an average of nearly 750 annual participants! This is a great opportunity to impact your community and help shape how youth sports are run. We meet the first Sunday of each month. Email us today if you're interested or have any questions!
