The Tradition Continues

Dear Local and National Business Owners:

Merritt Island Youth Football and Cheerleading Association is a 501(c)(3) nonprofit organization governed by the Brevard County Youth Football and Cheerleading Association. We are completely ran by a group of volunteers who provide youth football and cheer for student athletes ranging in age from 4 to 15 years old. We have been proudly serving the community for over 50 years.

Our league is seeking sponsors to help defer the cost of providing the necessary equipment, supplies, and resources needed to serve our Merritt Island Mustang families. There are many different levels of contributions, from sponsoring a Player or Cheer Registration fee to being a Field Sponsor. With lower fees and available scholarships, more families can afford to sign up and more children will reap the many being benefits of sports.

With the different levels of commitment come varying levels of benefits and advertising possibilities for your business or organization. Parents like to see the companies that are supporting local sports and your sponsorship will help evoke a community wide feeling that a company understands the impact and importance of sports for their youth. With support from you and other businesses in the community, we will be able to successfully maintain a quality program for the youths of Merritt Island and surrounding areas for this year and years to come.

Choose the level of sponsorship that best fits you and your company. All levels can be customized to meet your needs. If you are not able to donate at the designated sponsor levels, we encourage you to contribute an amount that is right for you. Our organization seeks to recognize all contributions including the provision of in-kind goods and services. Any donation you can provide is greatly appreciated.

If you have any questions or would like to know other ways that you can support this community venture, please feel free to contact us.

Thank you in advance for your support,

MIYFCA Board
Nonprofit 501(c)(3)
