SNSA PREFERRED VENDOR PROGRAM

Player awards and team parties are a time-honored tradition in youth sports! If you are interested in purchasing trophies or awards for your players or planning a team party, we encourage you to consider using one or more of the SNSA preferred vendors listed below. We have attached a product offering promotional sheet for our awards vendors and for team party providers that serve a variety of age levels. SNSA recommends that you have your team manager, or a designated parent review the product offerings and contact one of the preferred vendors to schedule your team party, and to purchase team awards.

SNSA is providing a list of vendors but is not involved in the scheduling or distribution of team parties or the purchasing of team trophies. Once you have selected a vendor, please direct all inquiries to the vendor. It is our hope that this program offers our teams more options and provides an opportunity to access quality team services in an efficient and convenient manner.
