

Fond du Lac Blue Line Hockey Return to Skate Plan

Phase 1 – Through November 1st

Following [US Rinks & USA Hockey Return To Rink](#)

Phase 1 Guidelines Through November 1st

People In Building

- 35 Skaters max per Rink A and B. Rink C is not included in skaters
- Locker Rooms will be selectively used based on Rink Manager and Covid Committee discretion
- While in building all skaters, coaches, employees, and volunteers must maintain social distancing of six feet
- 1 spectator per skater is allowed in the rink while skaters are on the ice for skaters 10U and under. No siblings unless they are under the age of 2.
 - For parents 12U and older please contact Rink Manager 24 hours prior to practice or event for entry to the rink.
 - Based on the event, the Rink Manager can allow up to 2 spectators per skater at any age level.
- Live Barn is currently in the process of being installed for viewing
- **If you or your skater are showing any signs of illness or have been in contact with known positives, please stay home!**

Phase 1 Guidelines Through November 1st

Face Coverings

In accordance with the Governor's Emergency Order, the Fond du Lac Blue Line requires face coverings for all people (skaters, volunteers, and coaches) while inside the building. Exceptions to the requirement will only be allowed for individuals with medical conditions or other sensory sensitivities that prevent the wearing of a face covering.

- The Fond du Lac Blue Line will not discriminate against skaters who have medical excuses that prohibit them from wearing a mask on the ice.
- Your skater is to simply notify their coaches or monitors that you have a medical condition that prevents the wearing of a mask. They will not inquire as to what your medical issue is or ask you to provide documentation. If you do not notify the coaches or monitors that you have a medical issue then you will be asked to wear a mask on the ice.

Phase 1 Guidelines Through November 1st

Entering/Leaving The Rink

- All skaters, volunteers, and coaches must enter through the front entrance.
- Upon entry, skaters will immediately advance to the Staging Area seats in Rink A /B or Locker Rooms
- The Staging Area is where skaters can get their skates and gear on. There will be no privacy in the Staging Area so please be aware of attire worn to the rink.
 - We strongly recommend coming ready to skate with skates on and spending as little time as possible in the staging area
- At the beginning of their assigned time, skaters will be directed by the monitor or team official to enter Rink A/B/C - do not enter this area until instructed to do so.
- When done skating all skaters must exit the building within 15 minutes
 - Please put on your guards, collect your belongings and exit immediately allowing rink to be sanitized before next group enters
 - No showering or lingering of any kind after your ice session has ended
 - Skaters on Rink A must leave through the back of Rink A. Skaters on Rink B or C must exit out the back of Rink B
- **If you or your skater are showing any signs of illness or have been in contact with known positives - please stay home!**

Phase 1 Guidelines Through November 1st

Skating

- Players are asked to come dressed ready to skate 15 minutes prior to their scheduled ice time.
- We recommend that skaters come with gear on. Staging Area/Locker Rooms are recommended for putting on skates, helmets, and gloves.
- While on the ice all the skaters must maintain a distance of 6 feet apart
- No community water bottles. Each skater must bring own water bottle filled from home
- Any water bottle that is forgotten will be thrown away
- **If your skater is showing any signs of illness or has been in contact with known positives - please keep them home!**

Phase 1 Guidelines Through November 1st

Cleaning

- After each session coaches, volunteers, team officials or rink employee MUST disinfect the benches, boards, lobby chairs/benches, and door knobs.
- We recommend that anything that was touched be disinfected.
- Each evening the entire rink will be cleaned and disinfected.
- After each Zamboni use, the machine is to be disinfected

Phase 1 Guidelines Through November 1st

Scheduling

- Skaters may only utilize ice during scheduled times
- Use of any rink during unscheduled times is STRICTLY prohibited.
- Entrance to the Blue Line Family Ice Center is not allowed unless
 - Skater has a scheduled ice time
 - Rink maintenance approved by Rink Manager, President, or Vice President
 - Scheduled volunteer or monitor
 - Skaters/Members are not allowed to use Rink C during unscheduled ice time

Phase 1 Guidelines Through November 1st

Volunteer requirements

- Each hockey team must assign a volunteers for the following positions. Volunteers do not count as a spectator for each skater.
 - Cleaning Crew 1-2 parents
 - Disinfect area getting dressed and benches
 - Team official/monitor
 - Document all skaters at the rink with log
 - Ensure only registered skaters enter rink
 - Ensure skaters maintain social distancing by staying in assigned staging area or locker rooms
 - Escort skaters to Rink A/B/C at designated time
- Zamboni responsibilities
 - Ice prep
 - Sanitize zamboni
- **If you are showing any signs of illness or have been in contact with known positives - please stay home and arrange for someone to cover your slot!**
