follow up on the moms from last meeting, what's the plan for a trip, did a decision get made? Do they need board help fundraising? Nothing has been determined at this time.

Finance Update:

Checking account is current and balanced.

The first two Breakdown gym fees have been paid to Community Ed, week 3 (October 27 is paid by Breakdown and I'll ensure that gets submitted to them for a check). Week 4 (yesterday) I'll pay in a couple weeks when I'm back. Week 5 (next Sunday) will again be Breakdown's gym bill and we'll get that one to them too.

Trevor's done a great job collecting money for travel lite, and does have some that needs to be deposited. Jim's written checks for the tournaments he's registered them for and sent those already.

All FY19 taxes, Attorney General Report and MN Sec of State reports and fees are filed and done. Next Tax move is in January when I pay calendar 2019 sale taxes on our concession sales.

John to call MYAS to ask them when they need your materials to build our brackets. We will pay them to do that.
