

Exciting News! Governor Cuomo has announced that Summer Day Camps are allowed to OPEN starting June 29th!

Chris Ward Basketball want you to know that we are ready and excited to return this summer with 5 weeks of Summer Camp at Westchester's Premier Sports Facility, House of Sports in Ardsley, NY!

Like all of the Chris Ward Basketball Family, we are committed to the safety and wellbeing of all players and their families. At this time we are working with both State and Local Officials to meet all compliance that will be implemented to ensure the safety of our coaches and players for the entirety of the summer camp season.

Additionally, we are announcing a partnership with a Professional Commercial Disinfectant company Deep Cleaners LLC. They are a family run Westchester based business with experience in Viral disinfectant work. Their professionals will be responsible for disinfecting all high touch objects used during our camps using non-toxic and safe materials to ensure the safety of our campers. Feel free to view their Website: <https://www.trydeepcleaners.com/> or reach out to them via email if you have any questions at info@trydeepcleaners.com

We are excited to get back on the court with your sons and daughters and will continue to provide updates regarding our safety protocols as we receive instructions from New York State and Westchester County officials.

Don't miss out on sign ups as space is limited for this summer! Register here: <https://www.chriswardbasketball.com/camp>
