

PARK CITY BASEBALL SAFETY PLAN AND GUIDELINES

The below guidelines will be agreed to be followed by each team in order to practice on assigned Park City fields. All scheduled games will follow league specific guidelines (see below). Guidelines are subject to change based on CDC, State and County guidelines and recommendations.

*COVID-19 Safety Officer(s) will be assigned from Members of the Park City Baseball board of Directors and/or team managers to ensure compliance by program members at practices and games.

*Participants and coaches are required to complete Self-assessment Symptom Survey and temperature checks before arriving to practice, if any positive symptoms stay home Symptom survey to include the following:

Do you have any of the following symptoms?

Cough, sore throat, new shortness of breath, or at least two of the following - fever, chills, muscle pain, headaches, sore throat, new loss of taste or smell.

Within the last 14 days, have you been exposed to COVID-19? This included close contact with a person who is confirmed to have or assumed to have COVID-19.

*Practice with appropriate group size consisting of participants and coaches only (Current: 20 group number established by the State)

*PPE provided to the team within state, county and CDC guidelines (I.E. non surgical face coverings or masks, hand sanitizer at least 60% ethyl alcohol)

*Participants and coaches ONLY on field during practice sessions.

*Participants disinfect equipment for practices (before and after)

*Participants use hand sanitizer before and after practice as well as between drills/stations

*Participants to maintain required social distancing of >10 feet

*Participants to provide individual water bottles

*Head Coach and/or team manager is responsible for monitoring symptoms of all participants and documenting prior to every practice.

*Coaches are to ensure all safety protocols are followed at all times

*Games and scrimmages prohibited until the state is allowing games to commence.

RMSB Safety Plan

The below guidelines must be agreed to be followed by each team in order to play in any RMSB event until further notice. Coaches are responsible for communicating and following through with the below guidelines to their fans.

- Social distancing: Individual households must sit at least 10 feet apart from other parties.
- Healthy participants only: Any players, coaches, or spectators who are sick will not be allowed at games or practices. Coaches must check players for symptoms prior to games. All [state COVID-19 guidelines](#) apply.
- Required hand washing: Players required to wash hands or use sanitizer between every inning. Coaches to provide adequate hand sanitizer for every player.
- Entry and exit plan: To limit the number of people gathering between games incoming teams cannot enter the complex until the team they are replacing has left. We recommend waiting beyond the outfield fence. Teams done playing must exit the park in a timely manner.
- No congregating: Do not congregate before or after games.
- 6 feet apart: Social distancing rules apply when in lines for the restroom, concessions, and all other times when possible.
- End of game: Lining up to shake hands with the opposing team is not permitted.

Wasatch Baseball Safe Social Distancing Rules

In an effort to Safely provide baseball for the youth in our leagues and limit the possible spread of Covid19 in Utah. The Wasatch Baseball leagues will implement the following rules for patrons at all of our parks. Anyone who plans to attend any games in the 2020 season will need to agree to do the following:

- Limit spectators – Only 2 spectators allowed per player at the ballpark. Teams are encouraged to use live stream of games for viewing by all spectators.
- Any visitors, Coach or Players who have any of the following will not be allowed to attend games or be allowed at the park:
 - o Fever in past 7 days
 - o Any form of Cough in past 7 days
 - o Any contact with a known person who has Covid19 in past 15 days
- All Spectators & players should wear masks when possible
- A distance of 8 Feet needs to be between spectators to honor social distancing rules.
- Players/Umpires/Coaches will be required to wash hands or use sanitizer between every inning. Coaches and parents will be asked to provide Sanitizer for every player.
- Spectators are not allowed to move from field to field at a park. They will be restricted to the one field for their player only.
- Game start and end times spread out to allow previous games fans and players to leave the park prior to start times of following games. This can include changing

length of games to help for adherence to and limiting number of people at the park at the same time.

- Drop dead times will be added to games to finish games and clear park for new games to begin on time.
- Incoming teams and spectators are required to stay outside of parks until the previous fans and teams have left the parks. Patrons are asked to remain in cars until the parking lot is cleared.
- Teams will need to warm up outside the ballpark or at an offsite location prior to games. Limited time will be given at the ball field prior to the game to warm up players arms only.
- Do not reuse baseballs for more than one game. Foul balls should be retrieved by players in game only and returned to game.
- No contact with Players or coaches inside team dugouts at any point. Players and coaches are the only people allowed on playing field any time. Only 3 coaches allowed on field during games. All coaches are required to wear masks. Coaches should maintain all social distancing guidelines at all times and limit contact with players.
- No high fives or handshakes at any time
- Shared equipment is highly discouraged. If game equipment is shared it is required to be sanitized between each use by coaches.

Hosting Leagues will provide supervisors to enforce rules for every park. Anyone who chooses not to follow these rules they will be removed from the park and not allowed to return for the remainder of the season!
