

2026 Sponsorship Opportunities

The Creekview Men's Lacrosse Program is committed to player development and teamwork fundamentals.

We are seeking sponsorships to help provide the resources needed for continued success.

As we develop our program, we continue to have needs such as: equipment (nets, balls, goals), uniforms, community coaching supplements, team transportation, and game day meals.

Your support enables the coaches and booster program to continue to build a program focused on excelling in lacrosse and teaching the life lessons of athletes - hard work, team commitment, and good sportsmanship.
