

## **WHAT HAPPENS NEXT?**

1. After tryouts, the coaches will select the players who will receive offers for a spot on their team. Some players will be called back for a second look.
2. We will post the tryout numbers of the players selected on our website – [www.evolutionvolleyball.net](http://www.evolutionvolleyball.net), on the Tryouts Results page. We will also indicate how many spots are still available. Alternates will fill declined spots which are the same playing positions they fit in.

**IMPORTANT:** The offer letters will be sent to the email address on the SportsEngine profile used to register the player. If your tryout number is on the website, you should have received an email offer within 48 hours. If you do not see an email, check your SPAM folder. Please email [evolvadm@gmail.com](mailto:evolvadm@gmail.com) or [evolutionvb360@gmail.com](mailto:evolutionvb360@gmail.com) if your tryout number is on the website but you haven't received an email after 48 hours.

## **IF YOU GET AN OFFER,**

1. Follow the instructions in the email. If you accept the offer, register for the Evolution 360 team, and pay at least the initial deposit immediately. Your spot is not secured until you make the initial payment.
2. If you decide to decline our offer, please respond to the email immediately by selecting decline during the team registration to let us know so that another player may have the opportunity to consider the spot you were offered.

## **IF YOU GET CALLED BACK,**

1. **KEEP YOUR TRYOUT NUMBER!** This is your receipt. Callbacks will be on **Wednesday, November 19 from 7pm-9pm.** You **MUST** attend the callbacks to be considered for a spot on the team.
2. If you have a schedule conflict on the day of the callback, you must talk to the coach of your age group or contact us to make arrangements, if possible. The travel teams will be formed fast, so a missed callback is a missed opportunity for players.

## **IF YOU DO NOT GET AN OFFER OR GET CALLED BACK,**

1. **YOU ARE STILL IN THE RUNNING,** if there are spots on the team indicated by TBD, or the spots are declined.
2. Once the teams are filled, and you did not get any offers, please look for announcements on our website for developmental teams or clinics. These will help develop your skills and are open to all players who have not joined a club this season.
