

RED WING FIGURE SKATING CLUB

Do you enjoy skating? Join the Red Wing Figure Skating Club!

The Red Wing Figure Skating Club typically skates on Sundays, late afternoons, or evenings. Professional coaches are available for lessons each week, and skills are taught and tested using the ISI recreational skating program skill levels.

The ISI program is intended to promote skating for fun, as a life-long skill, with individual opportunities for advancement and competition if individuals desire. The Club also produces a spring show, allowing skaters to show off their skills to family and friends. Show participation is voluntary.

We have two club levels, Jr Club and Full Club. Our Jr. Club is intended for those newer to skating and working on Pre-Alpha-Delta levels. Jr. Club members receive 1 hour of ice time, typically the first hour. Full club memberships are for more advanced skaters and skaters wishing to skate for the full 2 hours.

2022/23 Jr. Club membership = \$220

2022/23 Full Club membership = \$440

Membership covers season ice time. Coaching fees and spring show fees are additional. Coaching fees range depending on what you would like. Some fundraising is required but buyouts are available. Please contact us for more information!

**Season runs
October - March**

**Professional
Coaching**

**Small group or
private lessons**

ISI Certification

**A FUN AND
FRIENDLY GROUP**
