2021 HERITAGE HOCKEY 8-WEEK SUMMER DEVELOPMENT CAMP AND THURSDAY NIGHT 3V3

JUNE 7TH TO AUG 5TH- \$850 (OFF WEEK OF JULY 4TH) 5 HRS ON-ICE INSTRUCTION, 1.5 HRS 3V3 GAMES & 2-HRS OFF-ICE EACH WEEK FOR 8 WEEKS!

Heritage Hockey is a 3-season program. In the summer, the focus is on individual player skills, strength and conditioning, and team building. The fall is about player/team tactics and team systems. In the winter, we focus on the team and the full development of the process. The summer is the best time to build hockey strength and conditioning and to meet future teammates and coaches. Unlike other summer hockey camps, the Heritage camps are actually led by the varsity head coach, Evan Davis, and the rest of the Heritage coaching staff. The coaches understand these are future Heritage Hockey players and are invested in the development and success of each player because they will bring future success to the Heritage Hockey teams.
