

Shoreland Lutheran Pacers Girls Soccer 2019

News & Notes for the week of Monday, March 18 through Monday, March 25.

This is an **early** edition of a weekly email that you can expect to receive each Sunday once the season is in full swing to give you an idea of what the Pacer soccer team will be up to in the coming week. If you have received this email in error, please respond and I will remove you from the address list. If you have other people that need to have this information but their name was not included, please send me their address and I will add it.

I will be including a look at the predicted weather for each day in my emails as well so that the players can plan accordingly. Here is a hint, it is going to be cold.

All players will need tennis shoes and soccer cleats available to wear every practice. They will also be required to have shin guards and soccer socks for each practice.

Our first week of practice is during spring break. Some of the students have already let me know that they will be out of town. I completely understand! If you are in town that week, I am expecting attendance for these practices. If something comes up, please send me an email me at growm@slhs.us .

The first week of practice will be unique for a number of reasons. First, practices are a bit longer. Second, parts of three practices will be held at the Sturtevant SportsPlex on Hwy H between Hwys 11 and 20 (M/Tu/W). Players can be picked up there at the conclusion of practice. Finally, the Friday practice will be earlier than the first four days. Here is the full first week practice schedule:

Monday, March 18 th	1:30-2:30 @ SLHS; 3:00-5:00 @ Sturtevant Sportsplex
Tuesday, March 19 th	1:30-2:30 @ SLHS; 3:00-5:00 @ Sturtevant Sportsplex
Wednesday, March 20 th	1:30-2:30 @ SLHS; 3:00-5:00 @ Sturtevant Sportsplex
Thursday, March 21 st	2:00-5:00 Practice @ SLHS
Friday, March 22 nd	8:00-11:00 Practice @ SLHS

Once we get into the second week of practice, all players will receive a uniform bag. This bag includes a white and black jersey and white and black shorts. All players also have warm-up pants and a jacket. JV and Varsity players are responsible to provide game socks (solid white for home games and solid black for road games, they can have a brand logo). All players are responsible for providing shin guards and cleats. Players will also be given a practice ball that they will be responsible for bringing to all practices and games or they can bring their own ball at their own risk. Many of the players prefer to do this.

Please plan on attending the parent meeting scheduled for Monday, March 25th at 5:45 p.m.!

It is time to get started! Here's to a great season!
