

**2026 Summer Training Series**  
**Hitting & Serving Series**  
 All sessions held at the air-conditioned  
 Andover Community Center 15200 Hanson Blvd

60 minutes of volleyball skills training based on age and experience level. Focus on arm swing, refined approach work, middles, oh and rt sides. Strengthen serving skills – jump serving. The sessions that don't state a specific skill will cover both hitting and serving.

**\$50 per session**

**TJ Canham**  
 TJ started his volleyball career at St. Cloud State University playing for the men's club team where he received All-Conference recognition twice. After college, he found his true love: sand doubles. For 5 years, he played on the EVP beach tour, competing against and learning from some of the best players in the country. He has 18 + years of high school coaching experience and is coaching for Rogers High School (state qualifying). He has many years of Junior Olympic experience with Armstrong, Osseo and Liberty. He is the 15-1's coach for MN Premier. Also, for the past almost 20 years TJ has given private lessons for all different age groups (12's all the way to adults).

I understand the camp coaches, camp aides, and MN Premier Volleyball Club will not be held responsible for injuries while the registered player is attending the camp. I authorize the coaches to secure any emergency treatment deemed necessary. The camp coaches, camp aides, and MN Premier will not be held responsible for the payment of the emergency treatment. Any hospital or doctor fees that are incurred as the result of a camp injury will be the responsibility of the parents or player's guardian. I also acknowledge the player is physically ready for the activity of the camp.
