**Subject:** Letter of Interest – Girls 10U Director

To whom it may concern,

Please accept this letter as my formal expression of interest in the Girls 10U Director position for the upcoming term. As a dedicated member of the Hastings Hockey community with children actively involved in the program, I am committed to the growth and development of our young athletes.

My experience with the association spans several years and various levels of play. I have coached my son from the "Learn to Skate" program through Squirts, and I have spent the last few years coaching my daughters through the 8U in-house program. With my daughter transitioning to 10U next season, I am deeply invested in ensuring this division provides a strong foundation for every player.

Beyond the ice, I bring significant administrative and leadership experience to this role. Having served as a board member for HYAA, I am well-versed in the operational side of youth sports. I understand the importance of clear communication, organizational transparency, and the collaborative effort required to run a successful association. I am ready to apply this experience to help the 10U girls' program thrive.

My primary goal for the 10U level is to foster a supportive yet challenging environment that emphasizes both individual skill development and player retention, ensuring these athletes successfully transition from 8U with a lasting passion for the game.

Thank you for your time and for all you do for Hastings Hockey. I look forward to the possibility of contributing to the board and the continued success of our girls' program.

Sincerely,

Victor Wittgenstein III
