

BUCKS FUTSAL COVID-19 GUIDANCE REQUIREMENTS

-During these exceedingly difficult times our children are faced with some of the greatest challenges to their development. To address some of these issues we are providing an opportunity to participate in our 2021 Indoor Bucks Futsal League. We are asking for your assistance and cooperation to help make this possible by following the guidance requirements listed below.

-As per current PA Department of Health Guidance, appropriate face coverings must be always worn by EVERYONE, including players participating during a game on the field of play. Players, coaches, officials, and staff must wear appropriate face coverings at all other times such as during warmups, practice, on the bench, entering and leaving the facility, etc.

-We will initially be restricted to 10% of our maximum occupancy, therefore at the start of our league play as well as practice or skill sessions, only BUCKS FUTSAL staff, Players, Coaches (max 2 per team), Refs (max 2) will be permitted in the building. Hopefully, these guidelines will be eased by the authorities. As these changes occur, we will, of course, adjust our requirements accordingly.

-Players and coaches will enter from the main entrance and report directly to their designated bench area by way of the main stairway where individual socially distanced chairs will be provided for all players, coaches, and officials. The Elevator will be restricted to EMERGENCY USE ONLY. Players and Coaches will exit directly from the field of play to the parking lot by team unit at the conclusion of play as directed by BUCKS FUTSAL STAFF.

-BUCKS FUTSAL STAFF will perform an infrared touchless temperature check on all attendees. Anyone not meeting safe temperature standards, (under 100.4 degrees) as specified by the CDC, will be requested to leave the facility. Coaches must additionally screen and monitor their players for symptoms before and during game play.

-There will be additional time between games to allow for reduced contact as well as additional cleaning and sanitizing procedures within the facility. Players and Coaches will be required to wait for the "green flag" to be displayed on the main entrance doors before entering the building.

-ALL PARTICIPANTS ARE REQUIRED TO COMPLETE AND PROVIDE A SIGNED COPY OF THE BUCKS FUTSAL WAIVER AND RISK ACKNOWLEDGEMENT AGREEMENT DOCUMENT.

-This list of requirements may not be complete and may need be altered at any time for the safety and welfare of all participants. It is the sincere hope and desire of all of us at BUCKS FUTSAL to provide a great Indoor Futsal experience while doing everything possible to keep us all safe and healthy during these trying times. With help from everyone involved we can all reach these goals together!
