Asst Coach - East Ridge
Youth Coach - Termite thru Squirt - Preds

Hi, my name is Steve Czech, and I am interested in running for the VP of Hockey Operations.

I am hoping to add player experience and value to our program while extending our Woodbury network to provide a great environment for our players to grow and thrive. I have a passion to translate the mechanical, physical, IQ, and mindset side of the game to our players. With that said, there are some very high-level resources that we should be utilizing that will elevate the work that has been previously put into WAHC hockey operations - high-level skating, stickhandling, checking, goaltending, skills, coach training, etc.

My hope is to collaborate internally and incorporate the right people that share the same passion with a sense of ownership in our WAHC successes and then pass down their knowledge to the coaches who then carry it out on the daily to our players. It's about having the right player, playing at the right level, based on the physical, mental, and skill maturities in relation to their peers in the state of MN. From there, the goal is to provide the highest level of instruction and positive direction to our players so they grow as hockey players. I've met a lot of great kids and families in this short time at Woodbury. As a coach, I'm only able to work with a small group of players, and by putting my name in for the position, my hope is to extend my experiences to as many players that share the same passion for the game.

Thanks!

- Steve Czech
