

Opening in 2009, **Mountain View High School** continues to grow an impressive enrollment of almost 3,000 students. MVHS quickly established a strong name for itself in **academics, extra-curricular activities**, the towns of Hog Mountain and Lawrenceville and the Gwinnett County Community. It is also the home of the Bears, which consistently draws a loyal fan base to MVHS Community Stadium. The stadium in 2021 will feature state-of-the-art field turf that will allow for countless hosting opportunities for community outreach.

As a successful business leader in our community it's very easy to see the **HUGE** potential of marketing your business to new and returning customers all school year! Collaborating with the Mountain View Bears Football Program is a **GREAT** way to help grow your business and support your community youth! There are many different ways to get involved to gain exposure and a return on your investment with our football program.

Sponsorships are vital to the success of this upcoming football season. Proceeds from your contributions will help pay for **new chair back seats** in the bleachers. Furthermore, your annual support will contribute to the installation of the *first-ever* **digital scoreboard**.

We ask for your support in this community effort. Please contact **Allen Thompson**, Director of Football Operations (770-715-5205), **Latoya Kidd** (404-374-8801), or **Chris Ellis** (678-437-5015) if you have any questions. Let us help you determine which **Level of Sponsorship** is right for you and your organization for years to come!

Mountain View Pride,

John Poitevint

**Head Football Coach
