COVID-19 Exposure Notification Tracking

1. Open the QR code reader on your phone.
2. Scan QR code.
3. Complete the form & submit.

In compliance with Minnesota Hockey's Return to Play Guidelines, SCM Youth Hockey is asking for all players and coaches attending the Sauk Centre Civic Arena to complete the linked covid-19 tracking questionnaire prior to every team activity. The information collected will be used for notification purposes when SCM Hockey is made aware of a potential exposure while you were in attendance.

PLEASE NOTE: Failure to complete the questionnaire before each session you attend may result in not being properly notified of a potential covid-19 exposure.
