- Nominated cheerleaders must be part of a high school, community education, or all star competitive cheerleading team. Cheerleader must remain on the team and in good standing to be recognized at the State Banquet.

VIDEO SUBMISSION INSTRUCTIONS:

- Video of candidates must be recorded at an in-person competition or during a recording of the routine for a virtual competition.
- Video should be recorded in landscape and focus primarily on the candidate but be panned out enough to understand the context of the athlete's performance within their team's routine.
