RE: Pennock Park - Closure

Dear Mr. Scalise and Borough Residents,

KAPRB (Kennett Area Park and Rec Board) has decided to close down Pennock's Park Playground and playing fields until Sunday, April 5th, 2020.

We ask that the residents understand and follow our recommendations of not using the playground equipment and playing fields as requested by local and federal government to not have groups of 10 or more people gathering during the Covid 19 pandemic.

We understand that this is an inconvenience to the residents as they need a place for their children to play, but we also need to be cautious and follow the guidelines that are being placed on us by the local and federal governments. This will also give me the time properly clean the Playground Equipment. The walking trails will be availble to walk on, but the Park will need to be closed.

Please feel free to contact me with any questions or comments.

Regards

Kevin Garris
Chairman ~ KAPRB
