## **Park City Passing League is a 501(c)(3) non-profit organization.**

Thank you for supporting the Park City Passing League and the Park City football community! Park City High School football, Park City Youth football and Girls Flag football.

Sponsoring the league directly supports youth sports participation and helps kids build confidence, teamwork, physical fitness, and a sense of belonging — not just winning games but learning life skills through sport.

A passing league sponsorship gives your business a positive, values-driven association that resonates with customers who care about local families and kids' opportunities. We have new offerings this season and hope you'll find a sponsorship level below that fits best for your business or family:

The Park City Passing League is a no-contact, 5 on 5, passing only, co-ed league for grades 2nd through 8th focused on developing the fundamentals of football and building the character of our Park City youth. The Passing League will run in the spring on Sunday afternoons at Dozier Field at the Park City High School. This is the 8th season of the Passing League and we expect over 200 youth players to register. The teams will be coached by high school players, and parents and friends are encouraged to come and watch the games.
