

## GRADE ELIGIBILITY REQUIREMENTS AND GRADE CHECK PROCESS

### Report card submission:

A copy of the grade report must be submitted to the Registrar by the first day of tryouts in order for the player to be eligible for tryouts.

### Grade requirements:

- Minimum passing grade in all classes
- Minimum 2.0 GPA at the end of each grading period
- No failing (F's) in any classes

If at any time, a player does not meet the grade requirements stated above then they must follow the grade check process outlined below before being eligible to participate in practice or play in any games. If the player has any special circumstances the Board will evaluate these hardships on a case by case basis.

### Weekly Grade check process: REQUIRED ONLY IF THE PLAYER DOES NOT MEET GRADE REQUIREMENTS

1. Fill out the Grade Progress Check form (found on the program website). No other forms will be accepted.
2. Send the **completed** Grade Progress Check form to the Board Vice President or Board Registrar by 5:00 PM on the first day of the school week. Incomplete forms will not be accepted.
3. The Board Vice-President or Registrar will contact the Head Coach of eligibility status (eligible or ineligible).
4. Forms must be submitted by 5:00 PM in order to be eligible to play that day. If submitted after 5:00 PM, player will not be eligible to play until the following day.
5. Once a player has become eligible they will no longer need to submit a weekly form.

Our program supports parents, players, Board Members and Coaches partnering together to make sure our student athletes are successful on and off the field.
