

**Policies and Procedures for Jorgensen Event Center  
(Gunnison Indoor and Outdoor Rink)  
Issued 1/18/2021**

**Social Distancing and Masks:**

- Everyone must always wear a mask.
- Coaches and game volunteers must always wear masks while inside and around facility.
- Players, masks must be worn on the indoor and outdoor rink during games and practices.
- Physical distancing of 6 ft. while in the public areas.

**Temperature Check:**

- All team personnel will receive a temperature scan and answer health screening questions upon check-in.

**Locker Rooms:**

- 4 masked players allowed in locker rooms unless marked differently. Chairs and benches will also be available for overflow.

**Time between games:**

- 15 minutes between games/practices
- Teams will be allowed to access dressing area/locker rooms 15min before ice session and **must leave the rink 15mins** after their game/practice ends. Simply put...DO NOT HANG OUT AT THE RINK.
- Locker rooms and dressing areas for the outdoor rink *may* be inside the Indoor rink facility.

**Sanitizing Protocol:**

- Regular disinfecting by staff between games, including locker rooms, chairs, benches, scoring areas per Public Health Guidelines.
- Hand Sanitizing stations are set up around the facility. Please continue to wash your hands!

**NO Handshakes:**

- No Handshakes after games, scrimmages or practices. You may line up on the blue line and salute the other team with your sticks.

**Spectators:**

- NO spectatorship is allowed, unless a specific program requires parental presence, then all parents from different households are to maintain physical distancing.
- There shall be no loitering or waiting for a player inside the building
