Proposed Guideline: (All changes and/or deletions must be marked)

Add the Rising Star award to this section

Rationale for change:

Adding a Rising Star award formalizes recognition of emerging junior athletes who demonstrate outstanding development and impact during the Women's National Tournament. This award supports the division's commitment to growing the junior pipeline by encouraging participation, celebrating competitive progress, and highlighting future leaders within the women's game. Including the award in the guidelines also ensures consistent selection, presentation, and recordkeeping from year to year.
